

SEC Publishes Notice of MIAX Emerald Form 1 Application in Federal Register

PRINCETON, N.J. – Oct. 23, 2018 – Miami International Holdings, Inc. (MIH), the parent holding company of the MIAX Options[®] and MIAX PEARL[™] exchanges, today announced that a Notice of the Form 1 Application for its newest options exchange, MIAX Emerald, has been published in the Federal Register by the Securities and Exchange Commission (SEC) following MIH’s formal application submission. MIAX Emerald is expected to join the MIAX Exchange Group in Q1 2019, pending SEC approval.

“We are excited to have formally filed our Form 1 Application for MIAX Emerald and to have the SEC’s Notice published in the Federal Register, both of which put us one step closer to launching our newest exchange,” said Thomas P. Gallagher, Chairman and CEO of MIH. “MIAX Emerald will be a great addition to the MIAX Exchange Group given its specific market structure, further enabling the trading needs of our member firms to be met and the MIAX Exchange Group to expand its presence in the U.S. options market. We look forward to seeing the benefits of our newest exchange in Q1 2019, pending SEC approval.”

Added Barbara J. Comly, Executive Vice President and General Counsel of MIH, “We would like to thank the SEC for its assistance in connection with the application process.”

“We continue to see significant U.S. trading volume shift to exchanges offering a hybrid market model with pro rata allocation and maker-taker pricing,” said Shelly Brown, Executive Vice President – Strategic Planning and Operations of MIAX Options and MIAX PEARL. “By utilizing the MIAX Exchange Group’s industry-leading technology and infrastructure, we are confident that MIAX Emerald will enable us to broaden our customer base and compete for trading volume in this specific market segment.”

About MIH and the MIAX Exchange Group

Miami International Holdings, Inc. (MIH) is the parent holding company of Miami International Securities Exchange, LLC (MIAX Options) and MIAX PEARL, LLC (MIAX PEARL and together with MIAX Options, the MIAX Exchange Group), two fully electronic options trading exchanges.

MIAX Options currently lists and trades options on approximately 2,800 multi-listed classes. MIAX Options' unparalleled system throughput is approximately 38 million quotes per second. The average latency for a single quote on MIAX Options is approximately 17.56 microseconds for a full round trip. At the 99th and 99.9th percentiles, the latency on MIAX Options is approximately 25.69 and 57.67 microseconds, respectively.

MIAX PEARL launched trading operations on February 6, 2017 and currently lists and trades options on approximately 2,800 multi-listed classes. The average latency for a single order on MIAX PEARL is approximately 24.42 microseconds for a round trip. At the 99th and 99.9th percentiles, the latency on MIAX PEARL is approximately 32.35 and 60.38 microseconds, respectively.

The MIAX Exchange Group has assembled a team with deep rooted experience in developing, operating and trading on options exchanges, and its trading platforms have been developed in-house and designed from the ground up for the unique functional and performance demands of derivatives trading. MIAX Options and MIAX PEARL leverage the MIAX Exchange Group's industry-leading technology and infrastructure to provide their member firms with both traditional (MIAX Options) and maker-taker (MIAX PEARL) pricing structures. The MIAX Exchange Group's executive offices and National Operations Center are located in Princeton, New Jersey. The MIAX Exchange Group also maintains a Miami Operations Center in Miami, Florida, which contains the Miami Annual Meeting and Conference Center and the offices of MIAX Technologies and MIAX Global.

In addition to MIAX PEARL and MIAX Options, MIH is the parent holding company of Miami International Technologies, LLC (MIAX Technologies), MIAX Global, LLC (MIAX Global) and MIAX Emerald, LLC (MIAX Emerald). MIAX Technologies is MIH's technology subsidiary for the sale and/or license of the trading technology developed by the MIAX Exchange Group. MIAX Global focuses on merger, acquisition and joint venture activities of MIH. MIAX Global also provides technology and other services outside of North America, with its initial concentration being on Europe and Latin America. MIAX Emerald is MIH's third options exchange and is expected to launch in Q1 2019, pending SEC approval.
