Date: July 20, 2026

Subject: Inotiv, Inc. - Contract Adjustment/Acceleration of Expirations
Option Symbol: NOTVQ
Date: 07/20/2026

On July 14, 2026, the United States Bankruptcy Court for the Southern District of Texas Houston Division confirmed the Amended Joint Prepackaged Chapter 11 Plan of Reorganization of Inotiv, Inc. (NOTVQ) ("Plan"). The Plan became effective before the open on July 20, 2026, and NOTVQ shares were canceled.

Contract Adjustment

Effective July 20, 2026, existing NOTVQ options are adjusted to no longer call for the delivery of NOTVQ shares upon exercise.

The option symbol NOTVQ will not change.

In settlement of NOTVQ exercise/assignment activity, an NOTVQ put exerciser (or call assignee) will receive a cash payment of the full aggregate strike price amount on the exercise settlement date. An NOTVQ put assignee (or call exercise) will pay this amount on the exercise settlement date. Settlement will take place through OCC's cash settlement system on the business day after exercise.

Since NOTVQ options are American-style, they are exercisable at the election of the holder. Expiration processing for NOTVQ options will take place in the normal fashion, including automatic exercise thresholds.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to an acceleration of the expiration dates for outstanding option series. (See OCC Information Memo 23707) Additionally, the exercise by exception (ex by ex) threshold for expiring series will be \$.01 in all account types.

All series of Inotiv, Inc. options whose expiration dates are after 08-21-2026 will have their expiration dates advanced to 08-21-2026. Expiration dates occurring before 08-21-2026 (e.g., Flex options) will remain unchanged.

All Inotiv, Inc. options will utilize a \$.01 exercise threshold.

Option Symbol: NOTVQ
Existing Expiration: All months
New expiration date: 08-21-2026

Existing American-style Inotiv, Inc. options remain exercisable at the option of the holder prior to their expiration. Exercised options will continue to settle in one business day.

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and futures and the nature of any adjustment is made by OCC pursuant to Chapter 28 (XXVIII) of OCC's Rules. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
