RE: Amendment to Request for Response Messages to Remove Initiating Price for PRIME and cPRIME Auctions

On Friday, September 4, 2026, the Exchange will amend the information provided in the Request for Response ("RFR") message for PRIME and cPRIME Auctions as described below.

Currently, RFR messages detail the option, side, size, and initiating price through the Exchange's Administrative Information Subscriber (AIS) data feed. The Exchange will now remove the initiating price, and the RFR message will disseminate option, side, and size for PRIME and cPRIME Auctions.
