RE: Rule Filing No. SR-MIAX-2013-49
Priority Customer Rebate Program

The Exchange has filed for immediate effectiveness to amend the MIAX Options Fee Schedule (the “Fee Schedule”) to extend its current Priority Customer Rebate Program (the “Program”) until November 30, 2013.¹ The Program currently applies to the period beginning July 1, 2013 and ending October 31, 2013.²

Under the Program, the Exchange shall credit each Member the per contract amount set forth in the table below resulting from each Priority Customer order transmitted by that Member which is executed on the Exchange in all multiply-listed option classes (excluding mini-options and executions related to contracts that are routed to one or more exchanges in connection with the Options Order Protection and Locked/Crossed Market Plan referenced in Rule 1400), provided the Member meets certain volume thresholds in a month as described below.

Origin	Tier	Percentage Thresholds of National Customer Volume in Multiply-Listed Options Classes Listed on MIAX (Monthly)	Per Contract Credit
<i>Priority Customer</i>	1	0.00% - 0.25%	\$0.00
	2	Above 0.25% - 0.50%	\$0.10
	3	Above 0.50% - 1.00%	\$0.11
	4	Above 1.00% - 2.00%	\$0.12
	5	Above 2.00%	\$0.14

¹ See SR-MIAX-2013-49.

² See Securities Exchange Act Release Nos. 70523 (September 26, 2013), 78 FR 60966 (October 2, 2013) (SR-MIAX-2013-47); 69947 (July 9, 2013), 78 FR 42138 (July 15, 2013) (SR-MIAX-2013-31).

This payment will be calculated from the first executed contract at the applicable threshold per contract credit with rebate payments made at the highest achieved volume tier for each contract traded in that month. The percentage thresholds are calculated based on the percentage of national customer volume in multiply-listed options classes listed on MIAX entered and executed over the course of the month. Volume will be recorded for and credits will be delivered to the Member Firm that submits the order to MIAX. MIAX will aggregate the contracts resulting from Priority Customer orders transmitted and executed electronically on MIAX from affiliated Members for purposes of the thresholds described in the Priority Customer Rebate Program table, provided there is at least 75% common ownership between the firms as reflected on each firm's Form BD, Schedule A. In the event of a MIAX System outage or other interruption of electronic trading on MIAX, the Exchange will adjust the national customer volume in multiply-listed options for the duration of the outage. A Member may request to receive its credit under the Priority Customer Rebate Program as a separate direct payment.
