RE: Filing No. SR-MIAX-2013-39
Limited Service MEI Ports
Implementation Date August 13, 2013

MIAX recently filed SR-MIAX-2013-39 with the Securities and Exchange Commission (“SEC”) to add, at no extra cost, a new category of MIAX Express Interface (“MEI”) Port, known as a Limited Service MEI Port, to the MIAX System. The new Limited Service MEI Port enhances the existing MEI Port connectivity made available to Market Makers. The new Limited Service MEI Ports will be implemented **August 13, 2013**.
