

Summary of MIAX Sapphire Options Exchange
Proposed Non-Transaction Fees as of 07/26/2024

*Subject to filing with the Securities and Exchange Commission

Notes:

- Fees described in items (1) through (6) are waived during the Initial Waiver Period, which is the first partial month of Exchange launch plus an additional six (6) full calendar months
- Fees described in item (7) are waived during the Production Connectivity Waiver Period, which is the first partial month of Exchange launch plus an additional three (3) full calendar months. Thereafter, fees described in item (7) will then be discounted by 50% for the following three (3) full calendar months. Please note an exception to 10GB ULL Connectivity described below.
