Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c) of the Commodity Exchange Act ("CEAct") and Commodity Futures Trading Commission ("CFTC") Regulation 40.6(a), MIAx Futures Exchange, LLC ("MIAx Futures") hereby notifies the CFTC of its intention to adopt and implement the MIAx Futures Tini B500 Futures Retail Incentive Program ("Program"). The Program will be implemented on trade date June 1, 2026 for the Tini Bloomberg 500 Index Futures Contract (the "Product"), which is based on the Bloomberg 500 Index. The purpose of the Program is to promote and incentivize participation in the newly launched Product, thereby developing the market and liquidity during its early formation. Exhibit 1 sets forth the terms of the new Program. A complete description of the Program is included in Exhibit 2, for which the Exchange seeks confidential treatment.

- *DCM Core Principle 4, Prevention of Market Disruption:* The Program will not impact MIAx Futures' ability to perform its trade practice and market surveillance obligations under the CEA, CFTC Regulations, and its Rules. MIAx Futures will continue monitoring trading activity, including trading by participants accepted into the Program, to prevent manipulative trading and market abuse.
- *DCM Core Principle 9, Execution of Transactions:* The Product included in this Program will be listed for trading in the open and competitive market. The Program does not impact order execution priority or otherwise give any participant an execution preference or advantage.
- *DCM Core Principle 12, Protection of Markets and Market Participants:* The Program is subject to MIAx Futures Rules, which includes prohibitions against abusive practices, including fraudulent, noncompetitive, or unfair actions.
- *DCM Core Principle 18, Recordkeeping:* All potential participants in the Program must complete an application to be eligible for the Program, which MIAx Futures will keep on file. The Program is
