<sup>3</sup> See Securities Exchange Act Release No. 105289 (April, 22, 2026), 91 FR 22562 (April 27, 2026) (SR-CBOE-2026-038).

a. Purpose

The Exchange proposes to amend Exchange Rule 204, Members and Persons Associated with a Member Who Are or Become Subject to a Statutory Disqualification, to conform (with certain exceptions) to rules of the Financial Industry Regulatory Authority, Inc. (“FINRA”)<sup>4</sup> and to industry standard rules.<sup>5</sup> The Exchange’s proposal also includes the proposed Statutory Disqualification Circular (“SD Regulatory Circular”) that outlines the applicable eligibility procedures. The amended rules would incorporate by reference the procedures in the SD Regulatory Circular. As further detailed in the SD Regulatory Circular, the need for a Member<sup>6</sup> to file an application with the Exchange for approval, notwithstanding the disqualification would depend on (i) the type of disqualification; (ii) the date of disqualification; and (iii) whether the firm or individual is seeking admission, readmission or continuation in the securities industry.

By way of background, Section 3(a)(39) of the Act defines the term “statutory disqualification” and the circumstances that can cause a person (either a Member, or a person associated with a Member) to be subject to a statutory disqualification.<sup>7</sup> Absent relief, a statutory disqualification would preclude a Member or person associated with a Member from certain activities, including membership in a self-regulatory organization (“SRO”).

There is, however, a well-established process through which a Member (or a person associated with a broker-dealer) may continue to operate in the securities industry (and either become a Member of, or continue as a Member of, one or more SROs) despite being subject to a

<sup>5</sup> See, e.g., Cboe Rule 3.13, NYSE Rules 9520-9550 or IEX Rule Series 9.520.

<sup>6</sup> The term “Member” means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed “members” under the Exchange Act. See Exchange Rule 100.

<sup>7</sup> 15 USC 78c(a)(39).

statutory disqualification.<sup>8</sup>

In particular, SEC Rule 19h-1<sup>9</sup> describes several ways an SRO may seek relief for a member (or prospective member) that is subject to a statutory disqualification, including whether an SRO must file a notice with the Commission in order to allow the disqualified firm to become or continue as a member with the SRO (a “19h-1 Notice”).

The existing Rule 204(b) and (c) provides that either (i) a Member shall submit an application to the exchange within 30 days of becoming subject to a statutory disqualification or, (ii) alternatively, if the Exchange becomes aware that a Member or associated person of a Member is subject to a statutory disqualification, then, in either event, the Exchange shall then appoint a panel to conduct a hearing concerning the matter.<sup>10</sup>

Currently, FINRA processes statutory disqualification applications on behalf of the Exchange.<sup>11</sup> Notably, having different rules has led to outcomes where FINRA is not required to process an application and/or an applicable 19h-1 Notice under its rules, but the Exchange (or FINRA acting on the Exchange’s behalf) is required under its existing Rule 204. As such, the Exchange proposes to, in large part, conform to FINRA Rule Series 9520 Eligibility Proceedings in order to prevent different outcomes when FINRA is reviewing potential statutory disqualifications on behalf of the Exchange. The Exchange also notes that its existing Rule 204 is

<sup>9</sup> 17 CFR 240.19h-1.

<sup>10</sup> The Exchange notes that Cboe proposes to amend the required time period for submitting an application from 10 days to 10 business days. See *supra* note 3. The Exchange proposes to amend its corresponding requirement from 30 days to 10 business days. See proposed Exchange Rule 204(b)(1)(ii)-(iii). While the current rules provide different application submission deadlines, the proposed rule change would align the Exchange’s requirement with Cboe’s by establishing a uniform deadline of 10 business days.

<sup>11</sup> FINRA processes these applications on behalf of the Exchange pursuant to a Regulatory Services Agreement (“RSA”) between the Exchange and FINRA.

an outlier when compared to industry standards, as other exchanges have adopted rules similar to FINRA's. This may lead to inconsistent results when a firm is a member of multiple exchanges and/or FINRA.<sup>12</sup>

To aid in further conformity between the Exchange and FINRA, the Exchange further proposes that it shall also rely on the no-action letter issued to FINRA in 2009 that provides interpretive guidance regarding (i) the effect of certain time-limited bars or license revocations, (ii) the effect of bars by State securities commissions that are based solely upon a disciplinary action taken by an SRO, (iii) the notice requirements for willful violations of the Municipal Securities Rulemaking Board and aiding and abetting violations, and (iv) enforcement action to the Commission under Exchange Action 15A(g)(2) or Rule 19h-1(a) if an SRO does not file a notice with the Commission for any person subject to a statutory disqualification under Section 3(a)(39) that an SRO proposes to admit or continue in membership or association with a member under specific circumstances.<sup>13</sup> Due to FINRA's No-Action Letter, there have been instances where review of the same circumstances had resulted in different outcomes regarding when a notice is required pursuant to Rule 19h-1.<sup>14</sup> Specifically, the No-Action Letter makes clear certain instances where they will grant no-action relief if FINRA does not file a 19h-1 Notice

---

<sup>12</sup> See, e.g., Cboe Rule 3.13, NYSE Rule 9520, IEX Rule 9.520 and Nasdaq Rule 9520.

<sup>13</sup> See Financial Industry Regulatory Authority, Inc., SEC No-Action Letter, 2009 SEC No-Act. (March 17, 2009) ("FINRA No-Action Letter").

<sup>14</sup> For example, the FINRA No-Action Letter grants FINRA relief from notice requirements regarding a member's continued association with a disqualified person when the statutory disqualification is based on willful violations of the CEA. Because of the relief granted by the No Action Letter and pursuant to Regulatory Notice 09-19, FINRA would not require a member to file an application. However, the Exchange's current Rule 204 does not offer relief from application requirements for the firm to continue its association with an associated person, notwithstanding their disqualification. Relief is also not provided under the Exchange Act Rule 19h-1(a)(3)(iii), since the disqualifying event is a finding by the CFTC of a willful violation of the CEA and not a finding by the SEC or SRO of a willful violation of the Exchange Act, among others. As such, a notice pursuant to Rule 19h-1 for the Exchange is required, but is not required for FINRA.

with the Commission. For example, the Commission explicitly grants no-action relief if FINRA does not file a 19h-1 Notice if the subject person is subject to a statutory disqualification solely due to a finding of a willful violation of the CEA or the rules or regulations thereunder, provided that the sanctions are no longer in effect. The FINRA No- Action Letter ultimately requires fewer 19h-1 Notices to be filed.

The Exchange notes that other exchanges, such as The Nasdaq Stock Market LLC (“Nasdaq”), Investors Exchange (“IEX”), New York Stock Exchange (“NYSE”) and Cboe, have already adopted similar changes to more materially align their rules with FINRA’s.

Proposed Rule 204 would govern eligibility proceedings for persons subject to statutory disqualifications. Proposed Rule 204(a) would add certain definitions relating to eligibility proceedings that are not currently part of the Exchange’s rules, including “Application,” “disqualified Member,” “disqualified person,” “sponsoring Member,” and “Exchange staff.” The Exchange notes that this is substantially similar to FINRA’s Rule 9521, with the following exceptions: (i) “member” has been replaced with “Member;” (ii) references to FINRA By-Laws have been replaced with references to the Exchange Act and Exchange rules (where applicable); (iii) a new term of Exchange staff has been added to account for the relationship between the Exchange and FINRA, where the Exchange has a regulatory services agreement in place with FINRA and FINRA may act within the bounds of the agreed upon services; (iv) the definition of a disqualified Member differs; and (v) proposed Rule 204(a)(1) does not include reference to FINRA By-Laws.

The Exchange proposes to define “disqualified Member” as a Member that is or becomes subject to a disqualification under Section 3(a)(39) of the Exchange Act. This differs from the definition in FINRA Rule 9521(b)(2), which includes various other industry participants in

addition to existing members in the definition. The Exchange limited its definition to Members, as the Exchange has jurisdiction over Members.<sup>15</sup>

Further, while the Exchange differs from FINRA in that it does not include reference to FINRA By-Laws or Exchange Rules under proposed Rule 204(a)(1), the Exchange believes this language better suits the intended purpose of this section. Specifically, proposed Exchange Rule 204 specifies procedures to be followed in the event of a statutory disqualification as defined in Section 3(a)(39) of the Exchange Act. FINRA's equivalent Rule 9521 states that the Rule 9520 Series sets forth procedures for a person to become or remain associated with a member, notwithstanding the existence of a statutory disqualification as defined in Article III, Section 4 of the FINRA By-Laws and for a current member or person associated with a member to obtain relief from the eligibility or qualification requirements of the FINRA By-Laws and FINRA rules. Such actions hereinafter are referred to as 'eligibility proceedings.' While the Exchange only references statutory disqualification events in its equivalent rule, for its purposes, it believes it is more fitting as different procedures would be followed in the event a Member, or Member applicant, is ineligible for other reasons.

Proposed Rule 204(b) is largely mirrored off of FINRA's Rule 9522; however, there were adjustments made to account for updating rule references, adjusting "member" to "Member", and replacing the "National Adjudicatory Council" with the "Business Conduct Committee." First,

---

<sup>15</sup> The Exchange notes the definition excludes Member applicants (the Exchange understands FINRA's definition also does not apply to FINRA member applicants), because the Exchange would address a disqualification of a Member applicant as part of the Member application process, and the Exchange would not file a 19h-1 Notice with the Commission for a Member applicant. The proposed rule language, like FINRA's, indicates the provisions that are applicable to a Member applicant. If the Exchange approves the Member application of an applicant that is or becomes subject to a disqualification, the firm would then be a Member that could take advantage of the provisions of the proposed rule that apply to a disqualified Member. The Exchange understands this is consistent with FINRA's process with respect to member applicants that are or become subject to a disqualification.

the proposed Rules 204(b)(1)<sup>16</sup> and 204(b)(2) would govern the initiation of an eligibility proceeding by the Exchange and the obligation for a Member to file an application to initiate an eligibility proceeding if it or a Member's associated person<sup>17</sup> has been subject to certain disqualifications.

Next, Rule 204(b)(3) sets out the process for a withdrawal of an application and Rule 204(b)(4) sets out prohibitions against ex parte communications when Exchange staff has initiated the eligibility proceedings. The Exchange notes that its rule text does differ from FINRA's; however, this is due to FINRA having a panel that reviews the matter prior to an appeal and thus, ex parte communication concerns arise before appeals. Under the Exchange's proposed rule, with Exchange staff making determinations, a firm will need to talk to the Exchange and FINRA while their application is pending. Thus, the Exchange proposes to note that the proposed ex parte communications provision shall become effective only when an appeal is initiated. Further, under the proposed Rule 204(b)(5), the Exchange could approve a written request for relief from the eligibility requirements under certain circumstances. Specifically, Rule 204(b)(5)(i) describes certain circumstances of which a matter may be approved by the Exchange staff without the filing of an application. This provision is the same as the corresponding provisions of FINRA, Nasdaq, and IEX, with one exception. Specifically, under proposed Rule 204(b)(5)(i)(C), Exchange staff may approve a written request for relief without

---

<sup>16</sup> The Exchange notes that for instances in which Exchange staff will not issue written notice to Members or applicants for membership with respect to disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act (when a Member or application for membership under Exchange Rules is not required to file an application pursuant to the SD Regulatory Circular), information regarding the disqualifying event and the resolution of any fines, sanctions, or undertakings related to the disqualification are recorded in WebCRD.

<sup>17</sup> Under proposed Rule 204(b)(1)(iii), if a Member fails to file the application or, where appropriate, the written request for relief, within the 10-day period, the registration of the disqualified person shall be revoked and the sponsoring Member must promptly terminate association with the disqualified person.

the filing of an application if a disqualified Member or sponsoring Member is a Member or seeking to become a Member is a member of both the Exchange and another SRO and the other SRO intends to file a Notice under Exchange Act Rule 19h-1 approving the membership continuance of the disqualified Member or, in the case of a sponsoring Member, the proposed association or continued association of the disqualified person and Exchange staff concurs with that determination. This proposed provision is the same as that of Nasdaq, FINRA, and IEX, except it applies to those seeking to become a Member in addition to Members, while the corresponding rules of Nasdaq, FINRA, and IEX apply solely to members of those SROs. However, other organizations have acknowledged this gap in their rules, noting it would be their practice to apply this provision to prospective members as well as members. Therefore, despite the differences in the rule text of these other organizations, the Exchange believes the outcome under its proposed rule would be the same as both IEX and Nasdaq from a practical perspective.<sup>18</sup>

Proposed Rule 204(b)(5)(ii) covers matters that may be approved by<sup>19</sup> the Exchange staff after the filing of an application. Notably, under proposed Rule 204(b)(5)(ii) the Exchange staff may approve an application with respect to disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Act or arising under Section 3(a)(39)(E) of the Act. Proposed Rule 204(b)(6) specifies the process for implementing an

---

<sup>18</sup> See, e.g., Securities Exchange Act Release No. 101799 (November 29, 2024), 89 FR 96698 (December 5, 2024) (SR-IEX-2024-26), where IEX states “In the course of reviewing this membership application, IEX identified that its rules do not specifically address this situation, which has not previously occurred with respect to IEX. Specifically, the Exchange believes that its rules regarding the process by which a prospective Member that is subject to a statutory disqualification can be approved for membership on IEX notwithstanding the statutory disqualification could be enhanced to provide additional clarity and more clearly align with the processes set forth in Rule 19h-1 for a membership applicant that is subject to a statutory disqualification.”

<sup>19</sup> The Exchange notes that approval of such an application allows for a Member’s continued participation on the Exchange.

interim plan of heightened supervision during the application process for a disqualified person.

Proposed Rules 204(b)(7) and 204(b)(8) cover the process for determining that an application is substantially incomplete and the consequences for not remedying an application in a timely manner.<sup>20</sup> In the event an applicant fails to remedy an application under Rule 204(b)(8), Exchange staff will serve a written notice on the sponsoring Member of its determination to reject the application and the sponsoring Member must promptly terminate association with the disqualified person. Under FINRA's Rule 9522, there is reference to FINRA's application fee and that FINRA shall refund the application fee, less \$1,000 which shall be retained by FINRA as a processing fee. The Exchange notes, however, that the Exchange has its own application fee program reflected in its fee schedule that is distinct from FINRA's. As a result, the Exchange proposes to not include this in its proposed rule.

As further explained, proposed Rule 204(c) largely mirrors FINRA Rule 9523, with technical changes to account for different defined terms and functions across the SROs. This proposed rule would allow the Exchange staff (handled by FINRA) to recommend a supervisory plan to which the disqualified Member, sponsoring Member, and/or disqualified person, as the case may be, may consent and by doing so, waive the right to appeal if the plan is accepted and right to claim bias or prejudice, or prohibited ex parte communications. If such a supervisory plan were rejected, proposed Rule 204(d) would allow a request for review by the applicant to the Business Conduct Committee and would provide that a filing of an application for review would not stay the effectiveness of final action by the Exchange unless the Commission otherwise ordered.

---

<sup>20</sup> Proposed Rule 204(b)(7) applies to applications that are deemed substantially incomplete if they do not include information related to an interim plan of heightened supervision. Plans of heightened supervision are issued solely for associated persons (and not Members), and thus this provision applies solely to associated persons.

Proposed Rule 204(c) is covered under two parts: (i) to cover all disqualification except those arising solely from findings or orders specified in Section 15(b)(4)(D),(E), or (H) of the Exchange Act and (ii) to cover disqualifications that arise solely from findings or orders specified in Section 15(b)(4)(D), (E) or (H). The Exchange notes that the latter (proposed Rule 204(c)(2)) is intended to cover events where an application is required under the SD Regulatory Circular, as under the proposed rule, events arising from findings or order specified in Section 15(b)(4)(D), (E) or (H) of the Exchange Act do not typically require an application unless otherwise specified in the SD Regulatory Circular.

The text of the proposed rule change is similar to that in FINRA's counterpart rules, except for conforming and technical changes and except as follows. First, under proposed Rule 204(c), if the disqualified Member, sponsoring Member, and/or disqualified person executed a letter consenting to a supervisory plan, it would be submitted to the Exchange staff. Under FINRA's rule, the letter is submitted to FINRA Office of General Counsel, which submits it to the Chairman of the Statutory Disqualification Committee, acting on behalf of the NAC; the Chairman may accept or reject the plan or refer it to the NAC for action. The Exchange does not propose to utilize the NAC or the Statutory Disqualification Committee Chairman for this purpose. The Exchange believes that its staff can provide an appropriate review. The staff is performing this same function today when it reviews statutory disqualification decisions reached by FINRA subject to an RSA Agreement between the Exchange and FINRA. In addition, under FINRA's rule, the waiver of bias or prejudgment is with respect to the Department of Member Regulation, the FINRA General Counsel, the NAC and any member thereof, while under proposed Rule 204(c), the waiver would be with respect to the Exchange staff, the Exchange, the Business Conduct Committee, or any member of the Business Conduct Committee.

Next, under proposed Rule 204(d), if the Exchange staff rejects the plan, the Member or applicant may request a review by the Business Conduct Committee.<sup>21</sup> This differs from FINRA's process, which provides for a hearing before the NAC and further consideration by the FINRA Board of Directors. Because the Exchange does not propose to utilize the NAC, the Exchange proposes instead that any appeal be heard by the Business Conduct Committee. FINRA Rule 9525 also allows for discretionary review by the FINRA Board and the Exchange does not propose to adopt a comparable rule. The Exchange believes that the Exchange staff's role in the process will provide sufficient oversight and independence.

The Exchange does not propose to adopt the text of FINRA Rule 9526, which provides for expedited proceedings by the FINRA Board of Governors in certain instances. The Exchange believes that its proposed rules for review can be carried out in a timely manner and would sufficiently protect investors. The Exchange historically has not provided an expedited statutory disqualification review.

Lastly, the Exchange also notes that it will adopt a definition of "associated person" in Exchange Rule 100, specifically as it pertains to statutory disqualifications. This rule will be similar to the definitions of associated persons implemented by other exchanges to specifically apply to the process of statutory disqualifications.<sup>22</sup> Currently, the Exchange's definition for associated person is any partner, officer, director, or branch manager of a Member (or any person occupying a similar status or performing similar functions), any person directly or indirectly controlling, controlled by, or under common control with a Member, or any employee of a Member, except that any person associated with a Member whose functions are solely clerical or

---

<sup>21</sup> The Exchange's proposed Rule 204(d) closely aligns with NYSE Rule 9524 and Cboe Rule 3.13(d) except for conforming and technical changes.

<sup>22</sup> See IEX Rule 1.160(y)(2) and Nasdaq General 3, Rule 1002(b)(2).

ministerial shall not be included in the meaning of such term for purposes of these Rules. As the proposed rule requires Members to submit an application for continuance as a Member if any person associated with the Member becomes subject to a statutory disqualification, the Exchange's current rules require Members to file applications for affiliates under common control that would be subject to a statutory disqualification under securities law. In contrast, FINRA does not define "Person Associated with a member" or "Associated Person of a Member" as including affiliates under common control of the FINRA member.<sup>23</sup> Thus, a firm that is both an Exchange Member and FINRA member, which has an affiliate under common control that would be subject to a statutory disqualification under securities laws, is required to file an application with the Exchange, but not with FINRA.

The Exchange proposes to adopt a similar definition to Nasdaq, Cboe, and IEX<sup>24</sup> except that it shall (i) remove the reference to investment banking as that is not applicable for the Exchange's functions and (ii) remove subpoint (3) which specifies that for the purposes of another exchange rule of Nasdaq and IEX<sup>25</sup> (that is not the exchange's statutory disqualification rule), that it shall also include any other person listed in Schedule A of Form BD of a member. As the Exchange does not have this rule, the Exchange proposes not to include this subpoint (3) in its adopted definition of associated persons for the purpose of statutory disqualifications.

As noted above, other exchanges, such as Nasdaq, IEX, NYSE, and Cboe, have already

adopted similar changes to more materially align its rules with FINRA's, and similar to the Exchange, have made some edits to align its proposed rules with existing exchange processes.<sup>26</sup>

b. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>27</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>28</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>29</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers, because the rule applies uniformly to all Members and does not unfairly discriminate against any Member or type of market participant. The Exchange also believes the proposed rule change is consistent with Section 6(b)(1) of the Act,<sup>30</sup> which provides that the Exchange be organized and have the capacity to be able to carry out the purposes of the Act and to enforce compliance by the Exchange's Members and persons associated with its Members with the Act, the rules and

regulations thereunder, and the rules of the Exchange.

In particular, the proposed rule change will better enable the Exchange to streamline the administration of its statutory disqualification program and better protect investors and the public interest, as it will eliminate the need for Members or associated persons of Members to submit Statutory Disqualification Applications for prior statutory qualifications that have been resolved. Similar to Nasdaq, IEX, Cboe, and NYSE, the Exchange proposes to harmonize its description of statutory disqualification to align its application of statutory disqualification to FINRA.<sup>31</sup> This proposal would avoid potentially different outcomes for members of both FINRA and the Exchange with respect to ineligibility for membership and association.

The proposed changes will provide greater harmonization between Exchange and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance for dual members. As previously noted, in many instances the proposed rule text is substantially similar to FINRA's current rule text, which already has been approved by the Commission, and in many other cases the differences between current FINRA rules and the proposed rules would be strictly technical in nature. Further, in other instances, such as the Exchange's proposed Rule 204(d), the Exchange's rule closely follows Cboe's Rule 3.13. The proposal is similar to a proposal that Cboe filed with the Commission for immediate effectiveness, and therefore, does not raise any new or novel issues, not already considered by the Commission.<sup>32</sup>

#### **4. Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The

proposed rule change is not designed to address any competitive issues but rather is designed to provide greater harmonization between Exchange and FINRA rules of similar purpose for investigations and disciplinary matters, resulting in less burdensome and more efficient regulatory compliance for dual members and facilitating FINRA's performance of its regulatory functions under the RSA.

**7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Pursuant to Section 19(b)(3)(A) of the Act<sup>33</sup> and Rule 19b-4(f)(6)<sup>34</sup> thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange does not believe this is a controversial rule, as the Exchange is simply looking to align its existing rules on statutory disqualification, with industry standards. As noted previously, the Exchange is seeking to adopt a process that would provide for consistent outcomes across exchanges and with FINRA so that the Exchange is not an outlier in processes.

The proposal is similar to a proposal that Cboe filed with the Commission for immediate effectiveness, and therefore, does not raise any new or novel issues, not already considered by the Commission.<sup>35</sup>

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION  
[Release No. 34- ; File No. SR-EMERALD-2026-19]

Self-Regulatory Organizations; MIAX Emerald, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Rule 100, Definitions, and Rule 204, Members and Persons Associated with a Member Who Are or Become Subject to a Statutory Disqualification

July\_\_\_\_, 2026

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July\_\_\_\_, 2026, MIAX Emerald, LLC (“MIAX Emerald” or “Exchange”), filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its rules regarding Members and persons associated with a Member who are or become subject to a statutory disqualification. The proposal is similar to a proposal that Cboe Exchange, Inc. (“Cboe”) filed with the Commission.<sup>3</sup>

The text of the proposed rule change is available on the Exchange’s website at <https://www.miaxglobal.com/markets/us-options/emerald-options/rule-filings>, and at MIAX’s principal office.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

---

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> See Securities Exchange Act Release No. 105289 (April, 22, 2026), 91 FR 22562 (April 27, 2026) (SR-CBOE-2026-038).

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 204, Members and Persons Associated with a Member Who Are or Become Subject to a Statutory Disqualification, to conform (with certain exceptions) to rules of the Financial Industry Regulatory Authority, Inc. (“FINRA”)<sup>4</sup> and to industry standard rules.<sup>5</sup> The Exchange’s proposal also includes the proposed Statutory Disqualification Circular (“SD Regulatory Circular”) that outlines the applicable eligibility procedures. The amended rules would incorporate by reference the procedures in the SD Regulatory Circular. As further detailed in the SD Regulatory Circular, the need for a Member<sup>6</sup> to file an application with the Exchange for approval, notwithstanding the disqualification would depend on (i) the type of disqualification; (ii) the date of disqualification; and (iii) whether the firm or individual is seeking admission, readmission or continuation in the securities industry.

By way of background, Section 3(a)(39) of the Act defines the term “statutory disqualification” and the circumstances that can cause a person (either a Member, or a person

<sup>5</sup> See, e.g., Cboe Rule 3.13, NYSE Rules 9520-9550 or IEX Rule Series 9.520.

<sup>6</sup> The term “Member” means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed “members” under the Exchange Act. See Exchange Rule 100.

associated with a Member) to be subject to a statutory disqualification.<sup>7</sup> Absent relief, a statutory disqualification would preclude a Member or person associated with a Member from certain activities, including membership in a self-regulatory organization (“SRO”).

There is, however, a well-established process through which a Member (or a person associated with a broker-dealer) may continue to operate in the securities industry (and either become a Member of, or continue as a Member of, one or more SROs) despite being subject to a statutory disqualification.<sup>8</sup>

In particular, SEC Rule 19h-1<sup>9</sup> describes several ways an SRO may seek relief for a member (or prospective member) that is subject to a statutory disqualification, including whether an SRO must file a notice with the Commission in order to allow the disqualified firm to become or continue as a member with the SRO (a “19h-1 Notice”).

The existing Rule 204(b) and (c) provides that either (i) a Member shall submit an application to the exchange within 30 days of becoming subject to a statutory disqualification or, (ii) alternatively, if the Exchange becomes aware that a Member or associated person of a Member is subject to a statutory disqualification, then, in either event, the Exchange shall then appoint a panel to conduct a hearing concerning the matter.<sup>10</sup>

Currently, FINRA processes statutory disqualification applications on behalf of the

<sup>9</sup> 17 CFR 240.19h-1.

<sup>10</sup> The Exchange notes that Cboe proposes to amend the required time period for submitting an application from 10 days to 10 business days. See supra note 3. The Exchange proposes to amend its corresponding requirement from 30 days to 10 business days. See proposed Exchange Rule 204(b)(1)(ii)-(iii). While the current rules provide different application submission deadlines, the proposed rule change would align the Exchange’s requirement with Cboe’s by establishing a uniform deadline of 10 business days.

Exchange.<sup>11</sup> Notably, having different rules has led to outcomes where FINRA is not required to process an application and/or an applicable 19h-1 Notice under its rules, but the Exchange (or FINRA acting on the Exchange's behalf) is required under its existing Rule 204. As such, the Exchange proposes to, in large part, conform to FINRA Rule Series 9520 Eligibility Proceedings in order to prevent different outcomes when FINRA is reviewing potential statutory disqualifications on behalf of the Exchange. The Exchange also notes that its existing Rule 204 is an outlier when compared to industry standards, as other exchanges have adopted rules similar to FINRA's. This may lead to inconsistent results when a firm is a member of multiple exchanges and/or FINRA.<sup>12</sup>

To aid in further conformity between the Exchange and FINRA, the Exchange further proposes that it shall also rely on the no-action letter issued to FINRA in 2009 that provides interpretive guidance regarding (i) the effect of certain time-limited bars or license revocations, (ii) the effect of bars by State securities commissions that are based solely upon a disciplinary action taken by an SRO, (iii) the notice requirements for willful violations of the Municipal Securities Rulemaking Board and aiding and abetting violations, and (iv) enforcement action to the Commission under Exchange Action 15A(g)(2) or Rule 19h-1(a) if an SRO does not file a notice with the Commission for any person subject to a statutory disqualification under Section 3(a)(39) that an SRO proposes to admit or continue in membership or association with a member under specific circumstances.<sup>13</sup> Due to FINRA's No-Action Letter, there have been instances where review of the same circumstances had resulted in different outcomes regarding when a

---

<sup>11</sup> FINRA processes these applications on behalf of the Exchange pursuant to a Regulatory Services Agreement ("RSA") between the Exchange and FINRA.

<sup>12</sup> See, e.g., Cboe Rule 3.13, NYSE Rule 9520, IEX Rule 9.520 and Nasdaq Rule 9520.

<sup>13</sup> See Financial Industry Regulatory Authority, Inc., SEC No-Action Letter, 2009 SEC No-Act. (March 17, 2009) ("FINRA No-Action Letter").

notice is required pursuant to Rule 19h-1.<sup>14</sup> Specifically, the No-Action Letter makes clear certain instances where they will grant no-action relief if FINRA does not file a 19h-1 Notice with the Commission. For example, the Commission explicitly grants no-action relief if FINRA does not file a 19h-1 Notice if the subject person is subject to a statutory disqualification solely due to a finding of a willful violation of the CEA or the rules or regulations thereunder, provided that the sanctions are no longer in effect. The FINRA No- Action Letter ultimately requires fewer 19h-1 Notices to be filed.

The Exchanges notes that other exchanges, such as The Nasdaq Stock Market LLC (“Nasdaq”), Investors Exchange (“IEX”), New York Stock Exchange (“NYSE”) and Cboe, have already adopted similar changes to more materially align their rules with FINRA’s.

Proposed Rule 204 would govern eligibility proceedings for persons subject to statutory disqualifications. Proposed Rule 204(a) would add certain definitions relating to eligibility proceedings that are not currently part of the Exchange’s rules, including “Application,” “disqualified Member,” “disqualified person,” “sponsoring Member,” and “Exchange staff.” The Exchange notes that this is substantially similar to FINRA’s Rule 9521, with the following exceptions: (i) “member” has been replaced with “Member;” (ii) references to FINRA By-Laws have been replaced with references to the Exchange Act and Exchange rules (where applicable); (iii) a new term of Exchange staff has been added to account for the relationship between the Exchange and FINRA, where the Exchange has a regulatory services agreement in place with

---

<sup>14</sup> For example, the FINRA No-Action Letter grants FINRA relief from notice requirements regarding a member’s continued association with a disqualified person when the statutory disqualification is based on willful violations of the CEA. Because of the relief granted by the No Action Letter and pursuant to Regulatory Notice 09-19, FINRA would not require a member to file an application. However, the Exchange’s current Rule 204 does not offer relief from application requirements for the firm to continue its association with an associated person, notwithstanding their disqualification. Relief is also not provided under the Exchange Act Rule 19h-1(a)(3)(iii), since the disqualifying event is a finding by the CFTC of a willful violation of the CEA and not a finding by the SEC or SRO of a willful violation of the Exchange Act, among others. As such, a notice pursuant to Rule 19h-1 for the Exchange is required, but is not required for FINRA.

FINRA and FINRA may act within the bounds of the agreed upon services; (iv) the definition of a disqualified Member differs; and (v) proposed Rule 204(a)(1) does not include reference to FINRA By-Laws.

The Exchange proposes to define “disqualified Member” as a Member that is or becomes subject to a disqualification under Section 3(a)(39) of the Exchange Act. This differs from the definition in FINRA Rule 9521(b)(2), which includes various other industry participants in addition to existing members in the definition. The Exchange limited its definition to Members, as the Exchange has jurisdiction over Members.<sup>15</sup>

Further, while the Exchange differs from FINRA in that it does not include reference to FINRA By-Laws or Exchange Rules under proposed Rule 204(a)(1), the Exchange believes this language better suits the intended purpose of this section. Specifically, proposed Exchange Rule 204 specifies procedures to be followed in the event of a statutory disqualification as defined in Section 3(a)(39) of the Exchange Act. FINRA’s equivalent Rule 9521 states that the Rule 9520 Series sets forth procedures for a person to become or remain associated with a member, notwithstanding the existence of a statutory disqualification as defined in Article III, Section 4 of the FINRA By-Laws and for a current member or person associated with a member to obtain relief from the eligibility or qualification requirements of the FINRA By-Laws and FINRA rules. Such actions hereinafter are referred to as ‘eligibility proceedings.’ While the Exchange only references statutory disqualification events in its equivalent rule, for its purposes, it believes it is

---

<sup>15</sup> The Exchange notes the definition excludes Member applicants (the Exchange understands FINRA’s definition also does not apply to FINRA member applicants), because the Exchange would address a disqualification of a Member applicant as part of the Member application process, and the Exchange would not file a 19h-1 Notice with the Commission for a Member applicant. The proposed rule language, like FINRA’s, indicates the provisions that are applicable to a Member applicant. If the Exchange approves the Member application of an applicant that is or becomes subject to a disqualification, the firm would then be a Member that could take advantage of the provisions of the proposed rule that apply to a disqualified Member. The Exchange understands this is consistent with FINRA’s process with respect to member applicants that are or become subject to a disqualification.

more fitting as different procedures would be followed in the event a Member, or Member applicant, is ineligible for other reasons.

Proposed Rule 204(b) is largely mirrored off of FINRA’s Rule 9522; however, there were adjustments made to account for updating rule references, adjusting “member” to “Member”, and replacing the “National Adjudicatory Council” with the “Business Conduct Committee.” First, the proposed Rules 204(b)(1)<sup>16</sup> and 204(b)(2) would govern the initiation of an eligibility proceeding by the Exchange and the obligation for a Member to file an application to initiate an eligibility proceeding if it or a Member’s associated person<sup>17</sup> has been subject to certain disqualifications.

Next, Rule 204(b)(3) sets out the process for a withdrawal of an application and Rule 204(b)(4) sets out prohibitions against ex parte communications when Exchange staff has initiated the eligibility proceedings. The Exchange notes that its rule text does differ from FINRA’s; however, this is due to FINRA having a panel that reviews the matter prior to an appeal and thus, ex parte communication concerns arise before appeals. Under the Exchange’s proposed rule, with Exchange staff making determinations, a firm will need to talk to the Exchange and FINRA while their application is pending. Thus, the Exchange proposes to note that the proposed ex parte communications provision shall become effective only when an appeal is initiated. Further, under the proposed Rule 204(b)(5), the Exchange could approve a written

---

<sup>16</sup> The Exchange notes that for instances in which Exchange staff will not issue written notice to Members or applicants for membership with respect to disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act (when a Member or application for membership under Exchange Rules is not required to file an application pursuant to the SD Regulatory Circular), information regarding the disqualifying event and the resolution of any fines, sanctions, or undertakings related to the disqualification are recorded in WebCRD.

<sup>17</sup> Under proposed Rule 204(b)(1)(iii), if a Member fails to file the application or, where appropriate, the written request for relief, within the 10-day period, the registration of the disqualified person shall be revoked and the sponsoring Member must promptly terminate association with the disqualified person.

request for relief from the eligibility requirements under certain circumstances. Specifically, Rule 204(b)(5)(i) describes certain circumstances of which a matter may be approved by the Exchange staff without the filing of an application. This provision is the same as the corresponding provisions of FINRA, Nasdaq, and IEX, with one exception. Specifically, under proposed Rule 204(b)(5)(i)(C), Exchange staff may approve a written request for relief without the filing of an application if a disqualified Member or sponsoring Member is a Member or seeking to become a Member is a member of both the Exchange and another SRO and the other SRO intends to file a Notice under Exchange Act Rule 19h-1 approving the membership continuance of the disqualified Member or, in the case of a sponsoring Member, the proposed association or continued association of the disqualified person and Exchange staff concurs with that determination. This proposed provision is the same as that of Nasdaq, FINRA, and IEX, except it applies to those seeking to become a Member in addition to Members, while the corresponding rules of Nasdaq, FINRA, and IEX apply solely to members of those SROs. However, other organizations have acknowledged this gap in their rules, noting it would be their practice to apply this provision to prospective members as well as members. Therefore, despite the differences in the rule text of these other organizations, the Exchange believes the outcome under its proposed rule would be the same as both IEX and Nasdaq from a practical perspective.<sup>18</sup>

---

<sup>18</sup> See, e.g., Securities Exchange Act Release No. 101799 (November 29, 2024), 89 FR 96698 (December 5, 2024) (SR-IEX-2024-26), where IEX states “In the course of reviewing this membership application, IEX identified that its rules do not specifically address this situation, which has not previously occurred with respect to IEX. Specifically, the Exchange believes that its rules regarding the process by which a prospective Member that is subject to a statutory disqualification can be approved for membership on IEX notwithstanding the statutory disqualification could be enhanced to provide additional clarity and more clearly align with the processes set forth in Rule 19h-1 for a membership applicant that is subject to a statutory disqualification.”

Proposed Rule 204(b)(5)(ii) covers matters that may be approved by<sup>19</sup> the Exchange staff after the filing of an application. Notably, under proposed Rule 204(b)(5)(ii) the Exchange staff may approve an application with respect to disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Act or arising under Section 3(a)(39)(E) of the Act. Proposed Rule 204(b)(6) specifies the process for implementing an interim plan of heightened supervision during the application process for a disqualified person.

Proposed Rules 204(b)(7) and 204(b)(8) cover the process for determining that an application is substantially incomplete and the consequences for not remedying an application in a timely manner.<sup>20</sup> In the event an applicant fails to remedy an application under Rule 204(b)(8), Exchange staff will serve a written notice on the sponsoring Member of its determination to reject the application and the sponsoring Member must promptly terminate association with the disqualified person. Under FINRA's Rule 9522, there is reference to FINRA's application fee and that FINRA shall refund the application fee, less \$1,000 which shall be retained by FINRA as a processing fee. The Exchange notes, however, that the Exchange has its own application fee program reflected in its fee schedule that is distinct from FINRA's. As a result, the Exchange proposes to not include this in its proposed rule.

As further explained, proposed Rule 204(c) largely mirrors FINRA Rule 9523, with technical changes to account for different defined terms and functions across the SROs. This proposed rule would allow the Exchange staff (handled by FINRA) to recommend a supervisory plan to which the disqualified Member, sponsoring Member, and/or disqualified person, as the

---

<sup>19</sup> The Exchange notes that approval of such an application allows for a Member's continued participation on the Exchange.

<sup>20</sup> Proposed Rule 204(b)(7) applies to applications that are deemed substantially incomplete if they do not include information related to an interim plan of heightened supervision. Plans of heightened supervisions are issued solely for associated persons (and not Members), and thus this provision applies solely to associated persons.

case may be, may consent and by doing so, waive the right to appeal if the plan is accepted and right to claim bias or prejudice, or prohibited ex parte communications. If such a supervisory plan were rejected, proposed Rule 204(d) would allow a request for review by the applicant to the Business Conduct Committee and would provide that a filing of an application for review would not stay the effectiveness of final action by the Exchange unless the Commission otherwise ordered.

Proposed Rule 204(c) is covered under two parts: (i) to cover all disqualification except those arising solely from findings or orders specified in Section 15(b)(4)(D),(E), or (H) of the Exchange Act and (ii) to cover disqualifications that arise solely from findings or orders specified in Section 15(b)(4)(D), (E) or (H). The Exchange notes that the latter (proposed Rule 204(c)(2)) is intended to cover events where an application is required under the SD Regulatory Circular, as under the proposed rule, events arising from findings or order specified in Section 15(b)(4)(D), (E) or (H) of the Exchange Act do not typically require an application unless otherwise specified in the SD Regulatory Circular.

The text of the proposed rule change is similar to that in FINRA's counterpart rules, except for conforming and technical changes and except as follows. First, under proposed Rule 204(c), if the disqualified Member, sponsoring Member, and/or disqualified person executed a letter consenting to a supervisory plan, it would be submitted to the Exchange staff. Under FINRA's rule, the letter is submitted to FINRA Office of General Counsel, which submits it to the Chairman of the Statutory Disqualification Committee, acting on behalf of the NAC; the Chairman may accept or reject the plan or refer it to the NAC for action. The Exchange does not propose to utilize the NAC or the Statutory Disqualification Committee Chairman for this purpose. The Exchange believes that its staff can provide an appropriate review. The staff is performing this same function today when it reviews statutory disqualification decisions reached

by FINRA subject to an RSA Agreement between the Exchange and FINRA. In addition, under FINRA's rule, the waiver of bias or prejudice is with respect to the Department of Member Regulation, the FINRA General Counsel, the NAC and any member thereof, while under proposed Rule 204(c), the waiver would be with respect to the Exchange staff, the Exchange, the Business Conduct Committee, or any member of the Business Conduct Committee.

Next, under proposed Rule 204(d), if the Exchange staff rejects the plan, the Member or applicant may request a review by the Business Conduct Committee.<sup>21</sup> This differs from FINRA's process, which provides for a hearing before the NAC and further consideration by the FINRA Board of Directors. Because the Exchange does not propose to utilize the NAC, the Exchange proposes instead that any appeal be heard by the Business Conduct Committee. FINRA Rule 9525 also allows for discretionary review by the FINRA Board and the Exchange does not propose to adopt a comparable rule. The Exchange believes that the Exchange staff's role in the process will provide sufficient oversight and independence.

The Exchange does not propose to adopt the text of FINRA Rule 9526, which provides for expedited proceedings by the FINRA Board of Governors in certain instances. The Exchange believes that its proposed rules for review can be carried out in a timely manner and would sufficiently protect investors. The Exchange historically has not provided an expedited statutory disqualification review.

Lastly, the Exchange also notes that it will adopt a definition of "associated person" in Exchange Rule 100, specifically as it pertains to statutory disqualifications. This rule will be similar to the definitions of associated persons implemented by other exchanges to specifically

---

<sup>21</sup> The Exchange's proposed Rule 204(d) closely aligns with NYSE Rule 9524 and Cboe Rule 3.13(d) except for conforming and technical changes.

apply to the process of statutory disqualifications.<sup>22</sup> Currently, the Exchange’s definition for associated person is any partner, officer, director, or branch manager of a Member (or any person occupying a similar status or performing similar functions), any person directly or indirectly controlling, controlled by, or under common control with a Member, or any employee of a Member, except that any person associated with a Member whose functions are solely clerical or ministerial shall not be included in the meaning of such term for purposes of these Rules. As the proposed rule requires Members to submit an application for continuance as a Member if any person associated with the Member becomes subject to a statutory disqualification, the Exchange’s current rules require Members to file applications for affiliates under common control that would be subject to a statutory disqualification under securities law. In contrast, FINRA does not define “Person Associated with a member” or “Associated Person of a Member” as including affiliates under common control of the FINRA member.<sup>23</sup> Thus, a firm that is both an Exchange Member and FINRA member, which has an affiliate under common control that would be subject to a statutory disqualification under securities laws, is required to file an application with the Exchange, but not with FINRA.

The Exchange proposes to adopt a similar definition to Nasdaq, Cboe, and IEX<sup>24</sup> except that it shall (i) remove the reference to investment banking as that is not applicable for the Exchange’s functions and (ii) remove subpoint (3) which specifies that for the purposes of

<sup>22</sup> See IEX Rule 1.160(y)(2) and Nasdaq General 3, Rule 1002(b)(2).

<sup>23</sup> FINRA Regulation, Inc. By-laws, Article I, paragraph (ee) defines the terms “person associated with a member” or “associated person of a member” in relevant part as: “(2) a sole proprietor, partner, officer, director, or branch manager of a member, or other natural person occupying a similar status or performing similar functions, or a natural person engaged in the investment banking or securities business who is directly or indirectly controlling or controlled by a member, whether or not any such person is registered or exempt from registration with the Corporation under these By-Laws or the Rules of the Corporation; and (3) for purposes of Rule 8210, any other person listed in Schedule A of Form BD.”

<sup>24</sup> See Nasdaq General 3, Rule 1002(b), Cboe 1.1, and IEX Rule 1.160(y).

another exchange rule of Nasdaq and IEX<sup>25</sup> (that is not the exchange's statutory disqualification rule), that it shall also include any other person listed in Schedule A of Form BD of a member.

As the Exchange does not have this rule, the Exchange proposes not to include this subpoint (3) in its adopted definition of associated persons for the purpose of statutory disqualifications.

As noted above, other exchanges, such as Nasdaq, IEX, NYSE, and Cboe, have already adopted similar changes to more materially align its rules with FINRA's, and similar to the Exchange, have made some edits to align its proposed rules with existing exchange processes.<sup>26</sup>

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>27</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>28</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>29</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers, because the rule applies uniformly to all Members and does not unfairly discriminate against any Member or type of

market participant. The Exchange also believes the proposed rule change is consistent with Section 6(b)(1) of the Act,<sup>30</sup> which provides that the Exchange be organized and have the capacity to be able to carry out the purposes of the Act and to enforce compliance by the Exchange's Members and persons associated with its Members with the Act, the rules and regulations thereunder, and the rules of the Exchange.

In particular, the proposed rule change will better enable the Exchange to streamline the administration of its statutory disqualification program and better protect investors and the public interest, as it will eliminate the need for Members or associated persons of Members to submit Statutory Disqualification Applications for prior statutory qualifications that have been resolved. Similar to Nasdaq, IEX, Cboe, and NYSE, the Exchange proposes to harmonize its description of statutory disqualification to align its application of statutory disqualification to FINRA.<sup>31</sup> This proposal would avoid potentially different outcomes for members of both FINRA and the Exchange with respect to ineligibility for membership and association.

The proposed changes will provide greater harmonization between Exchange and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance for dual members. As previously noted, in many instances the proposed rule text is substantially similar to FINRA's current rule text, which already has been approved by the Commission, and in many other cases the differences between current FINRA rules and the proposed rules would be strictly technical in nature. Further, in other instances, such as the Exchange's proposed Rule 204(d), the Exchange's rule closely follows Cboe's Rule 3.13. The proposal is similar to a proposal that Cboe filed with the Commission for immediate effectiveness, and therefore, does

<sup>31</sup> See supra note 12.

not raise any new or novel issues, not already considered by the Commission.<sup>32</sup>

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather is designed to provide greater harmonization between Exchange and FINRA rules of similar purpose for investigations and disciplinary matters, resulting in less burdensome and more efficient regulatory compliance for dual members and facilitating FINRA's performance of its regulatory functions under the RSA.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>33</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>34</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or

otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)<sup>35</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.

**Rule 100. Definitions**

\*\*\*\*\*

**Associated Person or Person Associated with a Member**

The term “**associated person**” or “**person associated with a Member**” means any partner, officer, director, or branch manager of a Member (or any person occupying a similar status or performing similar functions), any person directly or indirectly controlling, controlled by, or under common control with a Member, or any employee of a Member, except that any person associated with a Member whose functions are solely clerical or ministerial shall not be included in the meaning of such term for purposes of these Rules.

For purposes of “statutory disqualification” as such term is defined in Section 3(a)(39) of the Exchange Act, the terms “person associated with a Member” and “associated person” shall mean (1) a natural person who is registered or has applied for registration under the Rules of the Exchange and (2) a sole proprietor, partner, officer, director, or branch manager of a Member, or other natural person occupying a similar status or performing similar functions, or a natural person engaged in the securities business who is directly or indirectly controlling or controlled by a Member, whether or not any such person is registered or exempt from registration with the Exchange under its Rules.

**Rule 204. Members and Persons Associated with a Member Who Are or Become Subject to a Statutory Disqualification**

[(a) The Exchange may determine in accordance with the provisions of this Rule not to allow a Member or associated person of a Member to continue being a Member or associated with a Member, or to condition such continuance as a Member or associated person, if the Member or associated person is or becomes subject to a statutory disqualification under the Exchange Act.

(b) If a Member or associated person of a Member who is or becomes subject to a statutory disqualification under the Exchange Act wants to continue being a Member or associated with a Member, the Member or associated person must, within 30 days of becoming subject to a statutory disqualification, submit an application to the Exchange, in a form and manner prescribed by the Exchange, seeking to continue being a Member or associated with a Member notwithstanding the statutory disqualification. The application shall be accompanied by copies of all documents that

are contained in the record of the underlying proceeding that triggered the statutory disqualification. Failure to timely file such an application is a factor that may be taken into consideration by the Exchange in making determinations pursuant to paragraph (c) of this Rule.

(c) Following the receipt of an application submitted pursuant to paragraph (b) of this Rule, or in the event the Exchange becomes aware that a Member or associated person of a Member is subject to a statutory disqualification and has failed to submit an application pursuant to paragraph (b) of this Rule within the required time period, the Exchange shall appoint a panel to conduct a hearing concerning the matter pursuant to the procedure set forth in Chapter XI (Hearings, Review and Arbitration).

(d) Subject to Chapter IX (Summary Suspension) of the Rules, any applicant whose application to become a Member is denied or conditioned, or any person whose association with a Member is denied or conditioned pursuant to paragraph (a), (b) or (c) of Rule 201, and any Member or person associated with a Member who is not permitted pursuant to this Rule to continue as a Member or to be associated with a Member or which continuance as a Member or association is conditioned, may appeal the Exchange's decision under Chapter XI (Hearings, Review and Arbitration) of the Rules.

(e) No determination to discontinue or condition a person as a Member or associated person pursuant to this Rule shall take effect until the review procedures under paragraph (d) of this Rule have been exhausted or the time for review has expired.

### **Interpretations and Policies:**

.01 The Exchange may waive the provisions of this Rule when a proceeding is pending before another self-regulatory organization to determine whether to permit a Member or an associated person of a Member to continue being a Member or associated with the Member notwithstanding a statutory disqualification. In the event the Exchange determines to waive the provisions of this Rule with respect to a Member or associated person, the Exchange shall determine whether it will concur in any Exchange Act Rule 19h-1 filing made by another self-regulatory organization with respect to the Member or associated person.

.02 If a Member or an associated person of a Member is or becomes subject to a statutory disqualification under the Exchange Act, the Member shall immediately provide written notice to the Exchange of the name of the Member or associated person, the associated person's capacity with the Member, and the nature of the statutory disqualification.

.03 In those instances where Exchange Act Rule 19h-1(a)(2) does not require the Exchange to make a notice filing with the Commission to permit an associated person to continue in association with a Member, and where the Exchange intends to grant the associated person's application for continued association, the Exchange may waive the hearing provisions of paragraph (c) above with respect to that associated person.]

### **(a) Purpose and Definitions**

(1) Purpose. Rule 204 sets forth procedures for a person to become or remain associated with a Member, notwithstanding the existence of a statutory disqualification as defined in Section 3(a)(39) of the Exchange Act. Such actions hereinafter are referred to as “eligibility proceedings.”

## (2) Definitions

(i) The term “Application” means in a form and manner set forth by the Exchange, which may include FINRA’s Form MC-400 for individuals or Form MC-400A for Members and Member applicants, filed with the Exchange or designee, which may include FINRA.

(ii) The term “disqualified Member” means a Member that is or becomes subject to a disqualification under Section 3(a)(39) of the Exchange Act.

(iii) The term “disqualified person” means an associated person of a Member or person seeking to become an associated person of a Member who is or becomes subject to a disqualification under Section 3(a)(39).

(iv) The term “Exchange staff” in this Rule means Exchange employees and, as applicable, may also include employees of FINRA who are providing regulatory services to the Exchange in accordance with the regulatory services agreement.

(v) The term “sponsoring Member” means the Member or Member applicant that is sponsoring the association or continued association of a disqualified person to be admitted, readmitted, or permitted to continue in association.

### (b) Initiation of Eligibility Proceeding

#### (1) Initiation by the Exchange

(i) Issuance of Notice of Disqualification or Ineligibility. If Exchange staff has reason to believe that a disqualification under Section 3(a)(39) of the Exchange Act exists or that a Member or person associated with a Member otherwise fails to meet the eligibility requirements of the Exchange, Exchange staff shall issue a written notice to the Member or applicant for membership under Exchange rules. The notice shall specify the grounds for such disqualification or ineligibility. Exchange staff shall not issue such written notice to Members or applicants for membership under Exchange rules with respect to disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act, unless the Member or applicant for membership under Exchange rules is required to file an application pursuant to a Regulatory Circular to be issued by the Exchange (the “SD Regulatory Circular”).

(ii) Notice Regarding a Member. A notice issued to a disqualified Member shall state that the disqualified Member may apply for relief by filing an application or, in the case of a matter set forth in Rule 204(b)(5)(i), a written request for relief, within ten business days after service of the notice. If the Member fails to file the application or, where appropriate, the written

request for relief, within the 10-day period, the membership of the Member shall be canceled, unless Exchange staff grants an extension for good cause shown.

(iii) **Notice Regarding an Associated Person.** A notice issued regarding a disqualified person of a Member or applicant for membership under Exchange rules shall state that such Member of an associated person or applicant for membership may file an application on behalf of the associated person or, in the case of a matter set forth in Rule 204(b)(5)(i), a written request for relief, within ten business days after service of the notice. If the Member fails to file the application or, where appropriate, the written request for relief, within the 10-day period, the registration of the disqualified person shall be revoked, unless Exchange staff grants an extension for good cause shown.

(iv) **Service.** A notice issued under this section shall be served by electronic mail or pursuant to Rule 1012(a). Service by electronic mail shall be deemed complete upon sending the notice.

## (2) Obligation of Member to Initiate Proceeding

(i) A Member shall file an application or, in the case of a matter set forth in Rule 204(b)(5)(i), a written request for relief, with the Exchange or its designee, which may include FINRA, if the Member determines prior to receiving a notice under paragraph (b) that:

(A) it has become a disqualified Member;

(B) a person associated with such Member or whose association is proposed by a Member applicant under Exchange rules has become a disqualified person; or

(C) the Member or Member applicant under Exchange rules wishes to sponsor the association of a person who is a disqualified person.

(ii) For any disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act, a Member shall not file an application unless instructed to do so by the SD Regulatory Circular.

(3) **Withdrawal of Application.** A Member may withdraw its application or written request for relief prior to a hearing by filing a written notice with the Exchange or its designee, which may include FINRA. A Member may withdraw its application after the start of a hearing but prior to the issuance of a decision by the Business Conduct Committee by filing a written notice with the Exchange.

(4) **Ex Parte Communications.** The prohibitions against ex parte communications set forth in Rule 1006(f) shall become effective under Rule 204 when an appeal, pursuant to Rule 204(d), is initiated.

## (5) Exchange Consideration

**(i) Matters that may be Approved by Exchange Staff without the Filing of an Application.** Exchange staff, as it deems consistent with the public interest and the protection of investors, is authorized to approve a written request for relief from the eligibility requirements by a disqualified Member or a sponsoring Member without the filing of an application by such disqualified Member or sponsoring Member if a disqualified Member or disqualified person is subject to one or more of the following conditions but is not otherwise subject to disqualification:

(A) a disqualified Member or disqualified person is subject to a disqualification based on an injunction that was entered ten or more years prior to the proposed admission or continuance by order, judgment, or decree of any court of competent jurisdiction from acting as an investment adviser, underwriter, broker, dealer, municipal securities dealer, government securities broker, government securities dealer, transfer agent, foreign person performing a function substantially equivalent to any of the above, entity or person required to be registered under the Commodity Exchange Act, or any substantially equivalent foreign statute or regulation, or as an affiliated person or employee of any investment company, bank, insurance company, foreign entity substantially equivalent to any of the above, or entity or person required to be registered under the Commodity Exchange Act or any substantially equivalent foreign statute or regulation, or from engaging in or continuing any conduct or practice in connection with any such activity, or in connection with the purchase or sale of any security.

(B) a sponsoring Member makes a request to change the supervisor of a disqualified person; or

(C) a disqualified Member or sponsoring Member is (i) a Member of the Exchange, or seeking to become a Member, and (ii) a member of another self-regulatory organization; and:

1. the other self-regulatory organization intends to file a Notice under Exchange Act Rule 19h-1 approving the membership continuance of the disqualified Member or, in the case of a sponsoring Member, the proposed association or continued association of the disqualified person; and

2. Exchange staff concurs with that determination.

**(ii) Matters that may be Approved by Exchange Staff after the Filing of an Application.** Exchange staff, as it deems consistent with the public interest and the protection of investors, is authorized to approve an application filed by a disqualified Member or sponsoring Member if the disqualified Member or disqualified person is subject to one or more of the following conditions but is not otherwise subject to disqualification (other than a matter set forth in paragraph(b)(5)(i)):

(A) The disqualified person is already a participant in, a member of, or a person associated with a member of, a self-regulatory organization (other than the Exchange), and the terms and conditions of the proposed admission to the Exchange are the same in all material respects as those imposed or not disapproved in connection with such person's prior admission or

continuance pursuant to an order of the SEC under Exchange Act Rule 19h-1 or other substantially equivalent written communication;

(B) Exchange staff finds, after reasonable inquiry, that except for the identity of the employer concerned, the terms and conditions of the proposed admission or continuance are the same in all material respects as those imposed or not disapproved in connection with a prior admission or continuance of the disqualified person pursuant to an order of the SEC under Exchange Act Rule 19h-1 or other substantially equivalent written communication, and that there is no intervening conduct or other circumstance that would cause the employment to be inconsistent with the public interest or the protection of investors;

(C) The disqualification previously was a basis for the institution of an administrative proceeding pursuant to a provision of the federal securities laws, and was considered by the SEC in determining a sanction against such disqualified person in the proceeding; and the SEC concluded in such proceeding that it would not restrict or limit the future securities activities of such disqualified person in the capacity now proposed, or, if it imposed any such restrictions or limitations for a specified time period, such time period has elapsed;

(D) The disqualification consists of a court order or judgment of injunction or conviction, and such order or judgment:

1. expressly includes a provision that, on the basis of such order or judgment, the SEC will not institute a proceeding against such person pursuant to Section 15(b) or 15B of the Exchange Act or that the future securities activities of such persons in the capacity now proposed will not be restricted or limited; or

2. includes such restrictions or limitations for a specified time period and such time period has elapsed;

(E) The disqualified person's functions are purely clerical and/or ministerial in nature; or

(F) The disqualification arises from findings or orders specified in Section 15(b)(4)(D), (E), or (H) of the Exchange Act or arises under Section 3(a)(39)(E) of the Exchange Act.

(iii) Rights of Disqualified Member, Sponsoring Member, Disqualified Person, and Exchange

(A) In the event Exchange staff does not approve a written request for relief from the eligibility requirements pursuant to paragraph (b)(5)(i), the disqualified Member or sponsoring Member may file an application, and such Member shall have the right to proceed under paragraph (c) or (d) of this Rule as applicable. The Exchange staff may require a disqualified Member or sponsoring Member to file an application with the Exchange or its designee, which may include FINRA, notwithstanding the provisions of paragraph (b)(5)(i).

(B) In the event Exchange staff does not approve an application pursuant to paragraph (b)(5)(ii), the disqualified Member or sponsoring Member shall have the right to proceed under paragraph (c) or (d) of this Rule.

(6) **Submission of an Interim Plan of Heightened Supervision.** An application filed pursuant to paragraph (b)(1)(iii) or (b)(2)(i)(B) of this Rule that seeks the continued association of a disqualified person must include:

(i) An interim plan of heightened supervision. The application shall identify an appropriately registered principal responsible for carrying out the interim plan of heightened supervision, who has signed the plan and acknowledged his or her responsibility for implementing and maintaining such plan. The interim plan of heightened supervision shall be in effect throughout the entirety of the application review process which shall be considered concluded only upon the final resolution of the eligibility proceeding. The interim plan of heightened supervision shall comply with the Exchange's supervision rules, including Exchange Rule 1308, and be reasonably designed and tailored to include specific supervisory policies and procedures that address any regulatory concerns related to the nature of the disqualification, the nature of the sponsoring Member's business, and the disqualified person's current and proposed activities during the review process; and

(ii) A written representation from the sponsoring Member that the disqualified person is currently subject to an interim plan of heightened supervision as set forth in paragraph (b)(6)(i) of this Rule.

(7) **Determination that an Application is Substantially Incomplete.** If Exchange staff determines that an application filed pursuant to paragraph (b)(1)(iii) or (b)(2)(i)(B) of this Rule that seeks the continued association of a disqualified person is substantially incomplete, it may reject the application and deem it not to have been filed. In such case, Exchange staff shall provide the sponsoring Member notice of the delinquency and its reasons for so doing. The sponsoring Member shall have 10 business days after service of the notice of delinquency to remedy the application, or such other time period as prescribed by Exchange staff. An application will be deemed to be substantially incomplete if:

(i) It does not include the representation required by paragraph (b)(6)(ii) of this Rule; or

(ii) Exchange staff determines that it does not include a reasonably designed interim plan of heightened supervision that complies with the standards of paragraph (b)(6)(i) of this Rule.

(8) **Consequences for Failure to Timely Remedy an Application that is Substantially Incomplete.** If an applicant fails to remedy an application that is substantially incomplete, Exchange staff shall serve a written notice on the sponsoring Member of its determination to reject the application and its reasons for so doing. Upon such rejection, the sponsoring Member must promptly terminate association with the disqualified person.

(c) Acceptance of Exchange Staff Recommendations and Supervisory Plans by Consent Pursuant to Exchange Act Rule 19h-1

(1) With respect to all disqualifications, except those arising solely from findings or orders specified in Section 15(b)(4)(D), (E) or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act, after an application is filed, Exchange staff may recommend the membership or continued membership of a disqualified Member or sponsoring Member or the association or continuing association of a disqualified person pursuant to a supervisory plan where the disqualified Member, sponsoring Member, and/or disqualified person, as the case may be, consent to the recommendation and the imposition of the supervisory plan. The disqualified Member, sponsoring Member, and/or disqualified person, as the case may be, shall execute a letter consenting to the imposition of the supervisory plan.

(i) If a disqualified Member, sponsoring Member, and/or disqualified person submitted an executed letter consenting to a supervisory plan, by the submission of such letter, the disqualified Member, sponsoring Member and/or disqualified person waive:

(A) the right of appeal to the Business Conduct Committee, the SEC, and the courts, or otherwise challenge the validity of the supervisory plan, if the supervisory plan is accepted.

(B) any right of the disqualified Member, sponsoring Member, and/or disqualified person to claim bias or prejudice by Exchange staff, the Exchange, the Business Conduct Committee, or any member of the Business Conduct Committee, in connection with such person's or body's participation in discussions regarding the terms and conditions of Exchange staff's recommendation or the supervisory plan, or other consideration of the recommendation or supervisory plan, including acceptance or rejection of such recommendation or supervisory plan; and

(C) any right of the disqualified Member, sponsoring Member, and/or disqualified person to claim that a person violated the ex parte prohibitions of Rule 1006(f), in connection with such person's or body's participation in discussions regarding the terms and conditions of the recommendation or supervisory plan, or other consideration of the recommendation or supervisory plan, including acceptance or rejection of such recommendation or supervisory plan.

(ii) If a recommendation or supervisory plan is rejected, the disqualified Member, sponsoring Member, and/or disqualified person shall be bound by the waivers made under paragraph (c)(1) for conduct by persons or bodies occurring during the period beginning on the date the supervisory plan was submitted and ending upon the rejection of the supervisory plan and shall have the right to proceed under this rule and paragraph (d) of this Rule, as applicable.

(iii) If the disqualified Member, sponsoring Member, and/or disqualified person execute the letter consenting to the supervisory plan, it shall be submitted to Exchange staff with a proposed Notice under Exchange Act Rule 19h-1, where required. The Exchange may accept or reject the recommendation of Exchange staff and the supervisory plan.

(iv) If the recommendation and supervisory plan is accepted by the Exchange it shall be deemed final and, where required, the proposed Notice under Exchange Act Rule 19h-1 will be filed by Exchange. If the recommendation and supervisory plan are rejected by the Exchange, the Exchange may take any other appropriate action with respect to the disqualified Member, sponsoring Member, and/or disqualified person. If the recommendation and supervisory plan are rejected, the disqualified Member, sponsoring Member, and/or disqualified person shall not be prejudiced by the execution of the letter consenting to the supervisory plan under paragraph (c)(1) and the letter may not be introduced into evidence in any proceeding.

(2) With respect to disqualifications arising solely from findings or orders specified in Section 15(b)(4)(D), (E) or (H) of the Exchange Act or arising under Section 3(a)(39)(E) of the Exchange Act, after an application is filed, in approving an application under Rule 204(b)(5)(ii)(F), Exchange staff is authorized to accept the membership or continued membership of a disqualified Member or sponsoring Member or the association or continuing association of a disqualified person pursuant to a supervisory plan where the disqualified Member, sponsoring Member, and/or disqualified persons, as the case may be, consent to the imposition of the supervisory plan. The disqualified Member, sponsoring Member, and/or disqualified person, as the case may be, shall execute a letter consenting to the imposition of the supervisory plan. Exchange staff shall prepare a proposed Notice under Exchange Act Rule 19h-1, where required, and Exchange staff shall file such Notice.

(i) If a disqualified Member, sponsoring Member, and/or disqualified person submitted an executed letter consenting to a supervisory plan, by the submission of such letter, the disqualified member, sponsoring member and/or disqualified person waive:

(A) the right of appeal to the Business Conduct Committee, the SEC, and the courts, or otherwise challenge the validity of the supervisory plan, if the supervisory plan is accepted;

(B) any right of the disqualified member, sponsoring member, and/or disqualified person to claim bias or prejudice by the Exchange staff, the Exchange, the Business Conduct Committee, or any member of the Business Conduct Committee in connection with such person's or body's participation in discussions regarding the terms and conditions of Exchange staff's recommended supervisory plan, or other consideration of the supervisory plan, including acceptance or rejection of such recommendation or supervisory plan; and

(C) any right of the disqualified Member, sponsoring Member, and/or disqualified person to claim that a person violated the ex parte prohibitions of Rule 1006(f), in connection with such person's or body's participation in discussions regarding the terms and conditions of the supervisory plan, or other consideration of the supervisory plan, including acceptance or rejection of such supervisory plan.

(ii) If the supervisory plan is rejected, the disqualified Member, sponsoring Member, and/or disqualified person shall be bound by the waivers made under paragraph (c)(2)(i) for conduct by persons or bodies occurring during the period beginning on the date the supervisory

plan was submitted and ending upon the rejection of the supervisory plan and shall have the right to proceed under paragraph (d) of this Rule.

(d) Business Conduct Committee Consideration

(1) Request for Review. A disqualified Member, sponsoring Member, or applicant, may request that the Business Conduct Committee reviews a decision to reject a supervisory plan under paragraph (c) of this Rule. A request for review shall be made by filing with the Secretary of the Exchange a written request therefor, which states the basis and reasons for such review, within 25 days after notice of the decision is served.

(2) Review by Business Conduct Committee. Any review by the Business Conduct Committee shall be based on oral arguments and written briefs and shall be limited to consideration of the record before the Exchange. Upon review, the Business Conduct Committee, by the affirmative vote of a majority of the Business Conduct Committee, may sustain, modify or reverse any such decision. Unless the Business Conduct Committee otherwise specifically directs, the decision of the Business Conduct Committee after review shall be final and conclusive subject to the provisions for review of the Exchange Act.

(3) Remand. Notwithstanding the foregoing, if either party upon review applies to the Business Conduct Committee for leave to adduce additional evidence, and shows to the satisfaction of the Business Conduct Committee that the additional evidence is material and that there was reasonable ground for failure to adduce it previously, the Business Conduct Committee may remand the matter for further proceedings, in whatever manner and on whatever conditions the Business Conduct Committee considers appropriate.

(4) Service by Electronic Mail; When Service is Complete. For purposes of this Rule, service by electronic mail shall be deemed complete upon sending the documents or decision.

(5) Application to SEC for Review. The right to have any action taken pursuant to this Rule 204 reviewed by the SEC is governed by Section 19 of the Exchange Act. The filing of an application for review shall not stay the effectiveness of final action by the Exchange, unless the SEC otherwise orders. Pursuant to Rule 204(d), a decision to deny an application for a disqualified member's continued membership shall not become effective until the time for filing an application for review with the SEC has expired and no such application is filed or, if such an application is timely filed, until the SEC completes its review under Exchange Act Section 19.
