1. Text of the Proposed Rule Change

(a) Miami International Securities Exchange, LLC (“MIAX” or “Exchange”), pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² proposes to amend its Fee Schedule.

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1, and a copy of the proposed Fee Schedule is attached hereto as Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the MIAX Board of Directors on December 12, 2013. Exchange staff will advise the Board of Directors of any action taken pursuant to delegated authority. No other action by the Exchange is necessary for the filing of the proposed rule change.

Questions and comments on the proposed rule change may be directed to Brian O’Neill, Vice President and Senior Counsel, at 609-897-1434.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**a. Purpose**

The Exchange proposes to establish a \$0.30 transaction fee for executions in standard option contracts and \$0.03 transaction fee for Mini Option contracts for non-member broker-dealers on the Exchange.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

The current transaction fees for non-member broker dealers on the Exchange are \$0.45 per contract for standard options or \$0.045 for Mini Options.³ The Exchange proposes lowering the non-member broker-dealer transaction fees to bring the fee rates in line with several competing exchanges.⁴ The proposed transaction fees are designed both to enhance the Exchange's competitiveness with other option exchanges and to strengthen its market quality. The Exchange believes that the new transaction fees will increase both intermarket and intramarket competition by incenting broker-dealers on other exchanges to direct additional orders to the Exchange to allow the Exchange to compete more effectively with other options exchanges for such transactions. To the extent that this purpose is achieved, the Exchange believes that other market participants on the Exchange will benefit from the additional liquidity and trading opportunities available from such orders.

The Exchange proposes to implement the new transaction fees beginning February 1, 2014.

b. Statutory Basis

The Exchange believes that its proposal to amend its fee schedule is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act⁶ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

³ See MIAX Options Fee Schedule, Section 1(a)(ii) – Other Market Participant Transaction Fees.

⁴ See NYSE Amex Options Fee Schedule, p. 4 (Tiered rates starting at \$0.32 per contract for electronic broker-dealers); ISE Schedule of Fees, p. 6 (\$0.30 per contract for broker-dealers in Non-Select Symbols).

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(4).

The Exchange believes that the proposal is fair, equitable and not unreasonably discriminatory. The proposal is reasonable because it results in a decrease in non-member broker dealer transactions fees for all non-member broker dealers on the Exchange in order to enable the Exchange to improve its overall competitiveness and strengthen its market quality for all market participants. The proposed fees are fair and equitable and not unreasonably discriminatory because they will apply equally to all non-member broker-dealers. All non-member broker-dealers will be subject to the same transaction fee, and access to the Exchange is offered on terms that are not unfairly discriminatory.

The decrease in transaction fees for non-member broker-dealers should incent broker-dealers on other exchanges to direct additional orders to the Exchange to allow the Exchange to compete more effectively with other options exchanges for such transactions. To the extent that this purpose is achieved, the Exchange believes that other market participants on the Exchange will benefit from the additional liquidity and trading opportunities available from such orders.

4. Self-Regulatory Organization's Statement on Burden on Competition

MIAX does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposal increases both intermarket and intramarket competition by incenting broker-dealers on other exchanges to direct additional orders to the Exchange to allow the Exchange to compete more effectively with other options exchanges for such transactions. To the extent that this purpose is achieved, the Exchange believes that other market participants on the Exchange will benefit from the additional liquidity and trading opportunities available from such orders. The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues if they deem fee levels at a particular

venue to be excessive. In such an environment, the Exchange must continually adjust its fees to remain competitive with other exchanges and to attract order flow. The Exchange believes that the proposal reflects this competitive environment because it reduces the Exchange's fees in a manner that encourages non-member broker-dealers to provide liquidity and to attract order flow to the Exchange.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A)(ii) of the Act,⁷ and Rule 19b-4(f)(2) thereunder⁸ the Exchange has designated this proposal as establishing or changing a due, fee, or other charge imposed on any person, whether or not the person is a member of the self-regulatory organization, which renders the proposed rule change effective upon filing.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

The proposed rule change is not based on the rules of another self-regulatory organization or of the Commission.

in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to establish a \$0.30 transaction fee for executions in standard option contracts and \$0.03 transaction fee for Mini Option contracts for non-member broker-dealers on the Exchange.

The current transaction fees for non-member broker dealers on the Exchange are \$0.45 per contract for standard options or \$0.045 for Mini Options.³ The Exchange proposes lowering the non-member broker-dealer transaction fees to bring the fee rates in line with several competing exchanges.⁴ The proposed transaction fees are designed both to enhance the Exchange's competitiveness with other option exchanges and to strengthen its market quality. The Exchange believes that the new transaction fees will increase both intermarket and intramarket competition by incenting broker-dealers on other exchanges to direct additional orders to the Exchange to allow the Exchange to compete more effectively with other options exchanges for such transactions. To the extent that this purpose is achieved, the Exchange believes that other market participants on the Exchange will benefit from the additional liquidity and trading opportunities available from such orders.

The Exchange proposes to implement the new transaction fees beginning February 1, 2014.

³ See MIAX Options Fee Schedule, Section 1(a)(ii) – Other Market Participant Transaction Fees.

⁴ See NYSE Amex Options Fee Schedule, p. 4 (Tiered rates starting at \$0.32 per contract for electronic broker-dealers); ISE Schedule of Fees, p. 6 (\$0.30 per contract for broker-dealers in Non-Select Symbols).

2. Statutory Basis

The Exchange believes that its proposal to amend its fee schedule is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act⁶ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

The Exchange believes that the proposal is fair, equitable and not unreasonably discriminatory. The proposal is reasonable because it results in a decrease in non-member broker dealer transactions fees for all non-member broker dealers on the Exchange in order to enable the Exchange to improve its overall competitiveness and strengthen its market quality for all market participants. The proposed fees are fair and equitable and not unreasonably discriminatory because they will apply equally to all non-member broker-dealers. The decrease in transaction fees for non-member broker-dealers should incent broker-dealers on other exchanges to direct additional orders to the Exchange to allow the Exchange to compete more effectively with other options exchanges for such transactions. To the extent that this purpose is achieved, the Exchange believes that other market participants on the Exchange will benefit from the additional liquidity and trading opportunities available from such orders.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposal increases both intermarket and intramarket competition by

⁵ 15 U.S.C. 78f(b).

incenting broker-dealers on other exchanges to direct additional orders to the Exchange to allow the Exchange to compete more effectively with other options exchanges for such transactions. To the extent that this purpose is achieved, the Exchange believes that other market participants on the Exchange will benefit from the additional liquidity and trading opportunities available from such orders. The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive. The Exchange believes that the proposal reflects this competitive environment because it reduces the Exchange's fees in a manner that encourages non-member broker-dealers to provide liquidity and to attract order flow to the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.⁷ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
