

primary listing market that previously listed that security.⁴⁵ For a new listing that does not have any last-sale eligible trades on the Exchange on its first trading day, the Official Closing Price would be based on a derived last sale associated with the price of such security before it begins trading.⁴⁶ Each Exchange states that its Amendment No. 1 is intended to provide increased transparency in the Exchange's rules as to how the Exchange would determine the Official Closing Price for such new or transferred listings.⁴⁷

Because each Amendment No. 1 responded to the comments received on the original proposal, and provided additional transparency to the operation of the closing contingency procedures for transferred and newly listed securities, the Commission finds good cause for approving the proposed rule changes, as modified by the respective Amendments No. 1, on an accelerated basis, pursuant to section 19(b)(2) of the Act.⁴⁸

VII. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁴⁹ that the proposed rule changes (SR-NYSE-2016-18 and SR-NYSEMKT-2016-31), as modified by their respective Amendments No. 1, be, and hereby are, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁵⁰

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-78023; File No. SR-MIAX-2016-14]

Self-Regulatory Organizations; Miami International Securities Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Adopt Exchange Rule 519C, Mass Cancellation of Trading Interest

June 8, 2016.

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 27, 2016, Miami International Securities Exchange LLC ("MIAX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is filing a proposal to adopt Exchange Rule 519C, Mass Cancellation of Trading Interest.

The text of the proposed rule change is available on the Exchange's Web site at http://www.miaxoptions.com/filter/wotitle/rule_filing, at MIAX's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt new Rule 519C, Mass Cancellation of Trading Interest, to codify the Exchange's current practice of cancelling quotes and/or orders upon the receipt of a verbal or an electronic request from a Member.³

Proposed Rule 519C would codify the current process by which Members may call or send an electronic message to the Exchange's designated staff and to direct them to cancel all quotations and/or orders they have in the System.⁴ All of the directing Member's quotations then in the System will be cancelled; a Member may submit a request to cancel all or any subset of its orders in the System.

Currently, Exchange Members may cancel all quotations and/or open orders in the System electronically or, in the alternative, may request Exchange staff to do so verbally by phone or via electronic message. The proposed rule would codify the current process of

³ The term "Member" means an individual or organization approved to exercise trading rights associated with a Trading Permit. Members are deemed "members" under the Act. See Exchange Rule 100.

⁴ The term "System" means the automated trading system used by the Exchange for the trading of securities. See Exchange Rule 100.

² 17 CFR 240.19b-4.

requesting cancellations verbally or via electronic message. Specifically, proposed Rule 519C states that a Member may cancel all of its quotations and/or orders in the System by requesting the Exchange staff to effect such cancellations. The form of such a request includes but is not limited to email or a phone call from authorized individuals. The cancellation of quotes and orders as described herein does not disconnect Members from the Exchange's System.

The purpose of the proposed rule change is to codify this current practice in the Exchange's rules. The Exchange has a number of other rules covering related risk management processes available to Members⁵ and it believes that this clarification will enhance transparency in the Exchange's rules.

2. Statutory Basis

MIAx believes that its proposed rule change is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule codifies existing risk protections that are currently available to Members and provides that the Exchange may take action on their behalf. The proposed rule protects investors and the public interest by clarifying, in the Exchange's rules, the risk protection tools and other mechanisms and processes available on the Exchange. The Exchange notes that similar rules are currently operative on other exchanges.⁸

The Exchange notes that the proposed rule change will not relieve Exchange Market Makers of their continuous quoting obligations under Exchange Rule 604 and under Reg NMS Rule 602.⁹ Specifically, any interest that is executable against a Member's quotes and orders that is received by the Exchange prior to the time the

cancellation is received by the System will automatically execute at the price up to the Member's size. Market Makers that request a mass cancellation of their trading interest will not be relieved of the obligation to provide continuous two-sided quotes on a daily basis, nor will it prohibit the Exchange from taking disciplinary action against a Market Maker for failing to meet their continuous quoting obligation each trading day. Cancel messages entered into the System by Exchange staff are accepted upon receipt by the System, and will be processed in that order such that cancel messages and other interest already accepted into the System will be processed prior to the receipt by the System of the mass cancel message.

The codification of the existing process of requesting the removal of quotes and orders is intended to remove impediments to and perfect the mechanisms of a free and open market by adding precision and ease of reference to the Exchange's rules, thus promoting transparency and clarity for Exchange Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange believes the proposed rule change will not impose any burden on intra-market competition because every Member of the Exchange has the opportunity to benefit from the procedure described in the proposed rule. The proposed rule is meant to provide all Members with the same protection in the event the Member is experiencing an issue that would require the Member to withdraw its quotes and/or orders from the market in order to ensure a fair and orderly market on the Exchange.

The Exchange believes the proposed rule change will not impose any burden on inter-market competition because the process of cancellation of quotations and orders on the Exchange is substantially similar to processes currently operative on other exchanges.¹⁰

For all the reasons stated, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)¹² thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

The Board of Directors may establish minimum quoting increments for options traded on the Exchange. When the Board of Directors determines to change the minimum increments, the Exchange will designate such change as a stated policy, practice, or interpretation with respect to the administration of this Rule within the meaning of subparagraph (3)(A) of subsection 19(b) of the Exchange Act and will file a rule change for effectiveness upon filing with the Commission. Until such time as the Board of Directors makes a change to the minimum increments, the following minimum increments shall apply to options traded on the Exchange:
