3. **Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

a. **Purpose**

The Exchange proposes to amend Exchange Rule 1015, Disciplinary Functions, to remove two references to CBOE from current Interpretations and Policies .01 to the Rule. The current rule states that the Exchange intends to enter into a contract with FINRA and/or CBOE to provide professional hearing officers and to act as an agent of the Exchange with respect to the disciplinary procedures of the Exchange.

The Exchange has entered into a contract with FINRA to provide professional hearing officers and to act as an agent of the Exchange with respect to the disciplinary procedures of the Exchange. Certain regulatory services previously offered by CBOE are now being provided by FINRA. Therefore the reference to CBOE is obsolete as it is no longer feasible to contemplate entering into an agreement with CBOE as articulated in the current rule.

Additionally, the current Rule includes a second reference to CBOE which is also now obsolete, that states that a professional hearing officer, in the course of discharging his responsibilities, shall apply the standards contained in the FINRA Industry Code of Procedure and/or CBOE Rules Chapter XVII, and policies, practices and interpretations thereof. The Exchange proposes to delete this reference as well.

b. **Statutory Basis**

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act<sup>3</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>4</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable

principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is designed to protect investors and the public interest and to promote just and equitable principles of trade by eliminating obsolete references to CBOE from its rules relating to its regulatory function. It is intended to foster cooperation and coordination with persons engaged in facilitating transactions in securities by accurately informing Members and the investing public of the Exchange's arrangements that satisfy its regulatory obligations under the Act. It is in the public interest for rules to be accurate and concise so as to eliminate the potential for confusion.

4. **Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather is designed to clarify the current rule and eliminate the potential for confusion.

5. **Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

6. **Extension of Time Period for Commission Action**

Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Pursuant to Section 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(6)<sup>6</sup> thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposal is “non-controversial” and raises no new regulatory issues. The proposed change removes obsolete references from Exchange Rule 1015 and clarifies the Rule to eliminate the potential for confusion. Therefore, the Exchange believes that the proposal is well-suited for, and meets the standards applicable to, the Commission’s treatment of non-controversial proposals under Section 19(b)(3)(A) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup>

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>9</sup> normally does not become operative for 30 days after the date of

its filing. However, Rule 19b-4(f)(6)<sup>10</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 1015, Disciplinary Functions, to remove two references to CBOE from current Interpretations and Policies .01 to the Rule. The current rule states that the Exchange intends to enter into a contract with FINRA and/or CBOE to provide professional hearing officers and to act as an agent of the Exchange with respect to the disciplinary procedures of the Exchange.

The Exchange has entered into a contract with FINRA to provide professional hearing officers and to act as an agent of the Exchange with respect to the disciplinary procedures of the Exchange. Certain regulatory services previously offered by CBOE are now being provided by FINRA. Therefore the reference to CBOE is obsolete as it is no longer feasible to contemplate entering into an agreement with CBOE as articulated in the current rule.

Additionally, the current Rule includes a second reference to CBOE which is also now obsolete, that states that a professional hearing officer, in the course of discharging his responsibilities, shall apply the standards contained in the FINRA Industry Code of Procedure and/or CBOE Rules Chapter XVII, and policies, practices and interpretations thereof. The Exchange proposes to delete this reference as well.

## 2. Statutory Basis

MIAX believes that its proposed rule change is consistent with Section 6(b) of the Act<sup>3</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>4</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is designed to protect investors and the public interest and to promote just and equitable principles of trade by eliminating obsolete references to CBOE from its rules relating to its regulatory function. It is intended to foster cooperation and coordination with persons engaged in facilitating transactions in securities by accurately informing Members and the investing public of the Exchange's arrangements that satisfy its regulatory obligations under the Act. It is in the public interest for rules to be accurate and concise so as to eliminate the potential for confusion.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather is designed to clarify the current rule and eliminate the potential for confusion.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act<sup>5</sup> and Rule 19b-4(f)(6)<sup>6</sup> thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
