1. **Text of the Proposed Rule Change**

(a) Miami International Securities Exchange, LLC (“MIAX” or “Exchange”), pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² proposes to update an internal cross reference in Rule 404, Series of Option Contracts Open for Trading.

A notice of the proposed rules changes for publication in the Federal Register is attached hereto as Exhibit 1, and the text of the proposed rule change is attached hereto as Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

The proposed rule change was approved by the Chief Executive Officer of the Exchange or his designee pursuant to authority delegated by the Exchange Board of Directors on January 19, 2024. Exchange staff will advise the Board of Directors of any action taken pursuant to delegated authority. No other action by the Exchange is necessary for the filing of the proposed rule change.

Questions and comments on the proposed rule change may be directed to Gregory P. Ziegler, VP, Senior Counsel, at (609) 897-1483.

3. **Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

a. Purpose

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

The Exchange proposes to update an internal cross reference in paragraph (a) of Rule 404, Series of Option Contracts Open for Trading.³ Specifically, the Exchange proposes to amend the last sentence of paragraph (a) which provides that, for Monthly Options Series, the Exchange will fix a specific expiration date and exercise price, as provided in Interpretation and Policy .12. The Exchange now proposes to correct the internal cross reference from Interpretation and Policy .12 to Interpretation and Policy .13. Interpretation and Policy .13 describes the Monthly Option Series Program and is the correct internal cross reference for paragraph (a).

b. Statutory Basis

The Exchange believes the proposed rules changes are consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rules changes are consistent with Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed change to its rules to correct an internal cross reference would remove impediments to and perfect the mechanism of a free and open market

⁵ 15 U.S.C. 78f(b)(5).

and a national market system because the proposed change is designed to update correct an erroneous internal cross reference. The Exchange believes that Members⁶ would benefit from the increased clarity, thereby reducing potential confusion and ensuring that those subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules. The Exchange further believes that the proposed changes would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased clarity, thereby reducing potential confusion.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rules changes would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rules change is not intended to address a competitive issue but rather would modify an Exchange rule to update an incorrect cross reference. Since the proposal does not substantively modify System⁷ functionality or processes on the Exchange, the proposed changes will not impose any burden on competition nor are they meant to affect competition among the exchanges. For these reasons, the Exchange believes that the proposed rules change reflects this competitive environment and does not impose any undue burden on intermarket competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

⁶ The term "Member" means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed "members" under the Exchange Act. See Exchange Rule 100.

⁷ The term "System" means the automated trading system used by the Exchange for the trading of securities. See Exchange Rule 100.

6. **Extension of Time Period for Commission Action**

Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposed rules change does not significantly affect the protection of investors or the public interest because it is a non-substantive change that would add clarity to the Exchange's rules by correcting an internal cross reference, thereby reducing potential investor or market participant confusion.

The Exchange respectfully requests that the Commission waive the requirement that the proposed rules changes, by its terms, not become operative for 30 days after the date of the filing as set forth in Rule 19b-4(f)(6)(iii),¹⁰ so that the proposed rule changes may become operative immediately. The Exchange states that the proposed changes will not adversely impact investors and will permit the Exchange to promptly correct an erroneous internal cross reference to ameliorate potential investor or public confusion and add clarity to its rules. Because the proposed rule change does not raise any novel regulatory issues, the Exchange believes that

¹⁰ 17 CFR 240.19b-4(f)(6)(iii).

waiver of the operative delay would be consistent with the protection of investors and the public interest.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file a proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹¹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update an internal cross reference in paragraph (a) of Rule 404, Series of Option Contracts Open for Trading.³ Specifically, the Exchange proposes to amend the last sentence of paragraph (a) which provides that, for Monthly Options Series, the Exchange will fix a specific expiration date and exercise price, as provided in Interpretation and Policy .12. The Exchange now proposes to correct the internal cross reference from Interpretation and Policy .12 to Interpretation and Policy .13. Interpretation and Policy .13 describes the Monthly Option Series Program and is the correct internal cross reference for paragraph (a).

2. Statutory Basis

The Exchange believes the proposed rules changes are consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rules changes are consistent with Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing,

settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed change to its rules to correct an internal cross reference would remove impediments to and perfect the mechanism of a free and open market and a national market system because the proposed change is designed to update correct an erroneous internal cross reference. The Exchange believes that Members⁶ would benefit from the increased clarity, thereby reducing potential confusion and ensuring that those subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules. The Exchange further believes that the proposed changes would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rules changes would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rules change is not intended to address a competitive issue but rather would modify an Exchange rule to update an incorrect cross reference. Since the proposal does not substantively modify System⁷ functionality or processes on the Exchange, the proposed changes will not impose any burden on competition nor are they meant to affect competition among the

exchanges. For these reasons, the Exchange believes that the proposed rules change reflects this competitive environment and does not impose any undue burden on intermarket competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
