¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ The term “Member” means an individual or organization that is registered with the Exchange pursuant to Chapter II of the Exchange Rules for purposes of trading on the Exchange as an “Electronic Exchange Member” or “Market Maker.” See Exchange Rule 100.

a. Purpose

The Exchange proposes to amend Interpretation and Policy .01 to Exchange Rule 1903, Continuing Education, to provide eligible Members another opportunity to elect to reopen the period by which certain participants in the MQP will be able to complete their prescribed 2022 and 2023 continuing education content.

In 2021, the Financial Industry Regulatory Authority, Inc. (“FINRA”) implemented rule changes, which amended its Continuing Education (“CE”) Program requirements to, among other things, provide eligible individuals who terminate any of their representative or principal registration categories the option of maintaining their qualification for any terminated registration categories by completing annual CE through a new program, the MQP.⁴ Under FINRA Rule 1240.01, the MQP designated a look-back provision that, subject to specified conditions, extended the option to participate in the MQP to individuals who: (1) were registered as a representative or principal within two years immediately prior to March 15, 2022 (the implementation date of the MQP); and (2) individuals who were participating in the Financial Services Affiliate Waiver Program (“FSAWP”)⁵ under FINRA Rule 1210.09 (Waiver of Examinations for Individuals Working for a Financial Services Industry Affiliate of a Member) immediately prior to March 15, 2022 (collectively, “Look-Back Individuals”).

⁴ See Securities Exchange Act Release No. 93097 (September 21, 2021), 86 FR 53358 (September 27, 2021) (Order Approving File No. SR-FINRA-2021-015). Other exchanges, including the Exchange, subsequently filed copycat rule filings to align their continuing education rules with those of FINRA. See Securities Exchange Act Release No. 95140 (June 22, 2022), 87 FR 38438 (June 28, 2022) (SR-MIAX-2022-23) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 1900, Registration Requirements, Exchange Rule 1903, Continuing Education Requirements, and Exchange Rule 1904, Electronic Filing Requirements for Uniform Forms).

⁵ The FSAWP is a waiver program for eligible individuals who have left a member firm to work for a foreign or domestic financial services affiliate of a member firm. The Exchange stopped accepting new participants for the FSAWP beginning on July 1, 2022; however, individuals who were already participating in the FSAWP prior to that date had the option of continuing in the FSAWP.

In 2023, FINRA amended FINRA Rule 1240.01, to provide Look-Back Individuals a second opportunity to elect to participate in the MQP (the “FINRA Second Enrollment Period”).⁶ The proposed rule change required that Look-Back Individuals who elect to participate in the MQP during the FINRA Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024. Look-Back Individuals who are enrolled in the MQP, similar to other MQP participants, are able to complete any prescribed CE and renew their annual MQP participation through their FINRA Financial Professional Gateway (“FinPro”) accounts.

In response to FINRA’s rule changes and to facilitate compliance with the Exchange’s CE Program requirements by members of multiple exchanges, the Exchange implemented rule changes to align with FINRA’s CE Program.⁷ Such rules, among other things, provide eligible individuals who terminate any of their representative or principal registrations the option of maintaining their qualification for any of the terminated registrations by completing CE through the MQP. Further, Exchange Rule 1903, Interpretation and Policy .01, includes a look-back provision that, subject to specified conditions, extends the option for maintaining qualifications following a registration category termination to (i) individuals who have been registered as a representative or principal within two years immediately preceding July 1, 2022, and (ii) individuals who have been participants of the FSAWP immediately preceding July 1, 2022 implementation (i.e., Look-Back Individuals).

Exchange Rule 1903 also provided Look-Back Individuals with a second enrollment period, between September 18, 2023, and December 31, 2023 (the “Exchange Second

⁶ See Securities Exchange Act Release No. 97184 (Mar. 22, 2023), 88 FR 18359 (Mar. 28, 2023) (SR-FINRA-2023-005) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend FINRA Rule 1240.01 To Provide Eligible Individuals Another Opportunity to Elect to Participate in the Maintaining Qualifications Program)

Enrollment Period”). Exchange Rule 1903, Interpretation and Policy .01, requires that Look-Back Individuals who elect to participate in the MQP during the Exchange Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024.⁸

FINRA recently submitted a proposal related to its CE Program (the “FINRA Rule Change”).⁹ The proposal set forth changes to FINRA Rule 1240.01, to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between May 22, 2024, and July 1, 2024, to be eligible to continue their participation in the MQP.¹⁰ In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and May 22, 2024, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

In the FINRA Rule Change, FINRA noted that it sent multiple reminders, including a March 16, 2024 email, to Look-Back Individuals who had enrolled in the MQP but had not completed their prescribed CE to remind them of the March 31, 2024 deadline. In the FINRA Rule Change, FINRA further noted that in the week leading up to the deadline, FINRA noticed that several thousand of those individuals were renewing their participation in the MQP for 2024

⁸ The Exchange determined to treat the individuals who enrolled during the first period (preceding July 1, 2022) the same as those who enrolled during the second period (between September 18, 2023, and December 31, 2023) for purposes of the March 31, 2024, deadline for completion of prescribed 2022 and 2023 CE content. This is because those who had enrolled in the MQP during the first period satisfied all of the eligibility criteria for enrollment during the second period and would have been able to complete their prescribed CE content by March 31, 2024, had they chosen to enroll during the second period instead of enrolling during the first period.

⁹ See Securities Exchange Act Release No. 100067 (May 6, 2024), 89 FR 40520 (May 10, 2024) (SR-FINRA-2024-006)(Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend FINRA Rule 1240.01 To Reopen the Period by Which Certain Participants in the Maintaining Qualifications Program May Complete Their Prescribed Continuing Education Content).

¹⁰ This would include any Look-Back Individuals who were still in the process of completing their prescribed CE content as of March 31, 2024.

instead of completing their prescribed CE.¹¹ Per the FINRA Rule Change, FINRA believes that some of those individuals may have been confused by the layout of their FinPro accounts. Specifically, if they selected the 2024 renewal banner, which was prominently displayed on their FinPro accounts, and completed the renewal process, they would not have been automatically redirected to complete any prescribed CE. Therefore, individuals may have inadvertently assumed that completion of the renewal process alone would have satisfied all of the necessary requirements to continue their participation in the MQP.¹²

For similar reasons and to facilitate compliance with the Exchange's CE Program requirements by members of multiple exchanges, the Exchange is also proposing to amend its rules (i.e., Exchange Rule 1903, Interpretation and Policy .01) to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between the effective date of this filing, and July 1, 2024, to be eligible to continue their participation in the MQP.¹³ In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and the effective date of this filing, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

¹¹ Look-Back Individuals who enrolled in the MQP have until December 31, 2024, to renew their participation in the MQP for 2024, provided that they complete their prescribed CE by the stated deadline.

¹² According to FINRA, a number of these individuals contacted FINRA to confirm whether they were required to satisfy any additional requirements other than completing the 2024 renewal. To provide FINRA with additional time to assess the situation, FINRA temporarily changed the March 31, 2024, due date for CE completion in its systems. This may have compounded the confusion because any Look-Back Individual who may have logged into their FinPro account during this time would have seen an interim CE completion date and would have been able to complete their prescribed CE content based on that interim CE completion date.

¹³ This would include any Look-Back Individuals who were still in the process of completing their prescribed CE content as of March 31, 2024.

b. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.¹⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁶ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange's rule proposal is intended to harmonize the Exchange's supervision rules, specifically with respect to the continuing education requirements with those of FINRA, on which they are based. Consequently, the proposed change will conform the Exchange's rules to changes made to corresponding FINRA rules, thus promoting application of consistent regulatory standards with respect to rules that FINRA enforces pursuant to its regulatory services agreement with the Exchange.

The Exchange believes that reopening the period by which Look-Back Individuals will be able to complete their prescribed 2022 and 2023 CE content is appropriate under the circumstances. As FINRA noted in the FINRA Rule Change, Look-Back Individuals who had

¹⁴ 15 U.S.C. 78f(b).

¹⁵ 15 U.S.C. 78f(b)(5).

¹⁶ Id.

enrolled in the MQP in 2022 and 2023 but had not completed their prescribed 2022 and 2023 CE content by the March 31, 2024 deadline may have been confused, as described above. The Exchange believes that participation in the MQP reduces unnecessary impediments to requalification for these individuals without diminishing investor protection. In addition, the proposed rule change is consistent with other goals, such as the promotion of diversity and inclusion in the securities industry by attracting and retaining a broader and diverse group of professionals. The MQP also allows the industry to retain expertise from skilled individuals, providing investors with the advantage of greater experience among the individuals working in the industry. The Exchange believes that reopening the CE completion period, as proposed, will further these goals and objectives.

Further, the Exchange believes the proposed amendments reduce the possibility of a regulatory gap between Exchange and FINRA rules, providing more uniform standards across the securities industry. The Exchange believes that the proposed rule change will bring consistency and uniformity with FINRA's recently amended CE Program, which will, in turn, assist members and their associated persons in complying with these rules and improve regulatory efficiency. The proposed rule changes make ministerial changes to the Exchange's CE rules to align them with the CE rules of FINRA, in order to prevent unnecessary regulatory burdens and to promote efficient administration of the rules.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed rule change, which harmonizes its rules with the recent rule change adopted by FINRA, will reduce the regulatory burden placed on market participants

engaged in trading activities across different markets. The Exchange believes that the harmonization of the CE program requirements across the various markets will reduce burdens on competition by removing impediments to participation in the national market system and promoting competition among participants across the multiple national securities exchanges.

5. **Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

Written comments were neither solicited nor received.

6. **Extension of Time Period for Commission Action**

Not Applicable

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Pursuant to Section 19(b)(3)(A) of the Act¹⁷ and Rule 19b-4(f)(6)¹⁸ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. However, Rule 19b-4(f)(6)¹⁹ permits the Commission

¹⁷ 15 U.S.C. 78s(b)(3)(A).

¹⁸ 17 CFR 240.19b-4(f)(6).

¹⁹ Id.

to designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Exchange believes that the proposal related to the Exchange's CE program does not significantly affect the protection of investors or the public interest because the proposed rule change is substantially similar to the FINRA Rule Change. Aligning the Exchange's rules with those of FINRA in this manner will help to create a greater degree of consistency, uniformity, and regulatory efficiency with respect to continuing education requirements applicable to registered representative and principals of Exchange members, thereby facilitating compliance by members of the Exchange who also hold membership in FINRA. The proposed rule change does not impose any significant burden on competition because it will apply uniformly to all Members. Moreover, the proposed rule change is based on the recent changes by FINRA,²⁰ and therefore, does not present any new or novel issues not already considered by the Commission.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing. Rule 19b-4(f)(6)(iii), however, permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange respectfully requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii). Waiver of the 30-day operative delay would allow the Exchange to implement the proposed changes to its continuing education rules without delay, thereby mitigating the possibility of a significant regulatory gap between the FINRA and Exchange rules, providing more uniform standards across the securities industry, and helping to avoid confusion for Exchange members that are also FINRA members.

²⁰ See supra note 9.

More specifically, the Exchange believes a waiver would provide immediately clarity to impacted individuals, thus minimizing the potential for confusion regarding the time frames for satisfying continuing education content in order to maintain eligibility to participate in the continuing education program. The Exchange notes that FINRA proposed a public outreach effort to inform impacted individuals of the new CE completion period,²¹ which would help ensure that all Look-Back Individuals were aware of their MQP obligations, and has likely concluded that effort at this time of this filing.

The Exchange believes that this proposal is non-controversial and eligible to become effective immediately because it promotes uniformity in continuing education requirements across self-regulatory organizations. The Exchange further believes that the proposed rule change would not significantly affect the protection of investors or the public interest or impose any significant burden on competition because it is substantially based on a rule change filed recently by FINRA relating to continuing education requirements.

For the foregoing reasons, the rule filing qualifies for immediate effectiveness as a non-controversial rule change under paragraph (f)(6) of Rule 19b-4.²² At any time within 60 days of filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

8. Proposed Rule Change Based on rules of Another Self-Regulatory Organization or of the Commission

As described above, the proposed changes are based on FINRA Rule 1240.01.

Self-Regulatory Organizations: Notice of Filing and Immediate Effectiveness of a Proposed Rule Change by Miami International Securities Exchange LLC to Amend its Rules Relating to the Continuing Education for Registered Persons as Provided Under Exchange Rule 1903

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on June ____, 2024, Miami International Securities Exchange LLC (“MIAX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Interpretation and Policy .01 to Exchange Rule 1903, Continuing Education, to reopen the period by which eligible Members³ who participate in the Maintaining Qualifications Program (“MQP”) will be able to complete their prescribed 2022 and 2023 continuing education content.

The text of the proposed rule change is available on the Exchange’s website at <https://www.miaxglobal.com/markets/us-options/miax-options/rule-filings>, at MIAX’s principal office, and at the Commission’s Public Reference Room.

² 17 CFR 240.19b-4.

³ The term “Member” means an individual or organization that is registered with the Exchange pursuant to Chapter II of the Exchange Rules for purposes of trading on the Exchange as an “Electronic Exchange Member” or “Market Maker.” See Exchange Rule 100.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Interpretation and Policy .01 to Exchange Rule 1903, Continuing Education, to provide eligible Members another opportunity to elect to reopen the period by which certain participants in the MQP will be able to complete their prescribed 2022 and 2023 continuing education content.

In 2021, the Financial Industry Regulatory Authority, Inc. (“FINRA”) implemented rule changes, which amended its Continuing Education (“CE”) Program requirements to, among other things, provide eligible individuals who terminate any of their representative or principal registration categories the option of maintaining their qualification for any terminated registration categories by completing annual CE through a new program, the MQP.⁴ Under FINRA Rule 1240.01, the MQP designated a look-back provision that, subject to specified conditions, extended the option to participate in the MQP to individuals who: (1) were registered

⁴ See Securities Exchange Act Release No. 93097 (September 21, 2021), 86 FR 53358 (September 27, 2021) (Order Approving File No. SR-FINRA-2021-015). Other exchanges, including the Exchange, subsequently filed copycat rule filings to align their continuing education rules with those of FINRA. See Securities Exchange Act Release No. 95140 (June 22, 2022), 87 FR 38438 (June 28, 2022) (SR-MIAX-2022-23) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 1900, Registration Requirements, Exchange Rule 1903, Continuing Education Requirements, and Exchange Rule 1904, Electronic Filing Requirements for Uniform Forms).

as a representative or principal within two years immediately prior to March 15, 2022 (the implementation date of the MQP); and (2) individuals who were participating in the Financial Services Affiliate Waiver Program (“FSAWP”)⁵ under FINRA Rule 1210.09 (Waiver of Examinations for Individuals Working for a Financial Services Industry Affiliate of a Member) immediately prior to March 15, 2022 (collectively, “Look-Back Individuals”).

In 2023, FINRA amended FINRA Rule 1240.01, to provide Look-Back Individuals a second opportunity to elect to participate in the MQP (the “FINRA Second Enrollment Period”).⁶ The proposed rule change required that Look-Back Individuals who elect to participate in the MQP during the FINRA Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024. Look-Back Individuals who are enrolled in the MQP, similar to other MQP participants, are able to complete any prescribed CE and renew their annual MQP participation through their FINRA Financial Professional Gateway (“FinPro”) accounts.

In response to FINRA’s rule changes and to facilitate compliance with the Exchange’s CE Program requirements by members of multiple exchanges, the Exchange implemented rule changes to align with FINRA’s CE Program.⁷ Such rules, among other things, provide eligible individuals who terminate any of their representative or principal registrations the option of maintaining their qualification for any of the terminated registrations by completing CE through the MQP. Further, Exchange Rule 1903, Interpretation and Policy .01, includes a look-back provision that, subject to specified conditions, extends the option for maintaining qualifications

⁵ The FSAWP is a waiver program for eligible individuals who have left a member firm to work for a foreign or domestic financial services affiliate of a member firm. The Exchange stopped accepting new participants for the FSAWP beginning on July 1, 2022; however, individuals who were already participating in the FSAWP prior to that date had the option of continuing in the FSAWP.

following a registration category termination to (i) individuals who have been registered as a representative or principal within two years immediately preceding July 1, 2022, and (ii) individuals who have been participants of the FSAWP immediately preceding July 1, 2022 implementation (i.e., Look-Back Individuals).

Exchange Rule 1903 also provided Look-Back Individuals with a second enrollment period, between September 18, 2023, and December 31, 2023 (the “Exchange Second Enrollment Period”). Exchange Rule 1903, Interpretation and Policy .01, requires that Look-Back Individuals who elect to participate in the MQP during the Exchange Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024.⁸

FINRA recently submitted a proposal related to its CE Program (the “FINRA Rule Change”).⁹ The proposal set forth changes to FINRA Rule 1240.01, to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between May 22, 2024, and July 1, 2024, to be eligible to continue their participation in the MQP.¹⁰ In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and May 22, 2024, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

⁸ The Exchange determined to treat the individuals who enrolled during the first period (preceding July 1, 2022) the same as those who enrolled during the second period (between September 18, 2023, and December 31, 2023) for purposes of the March 31, 2024, deadline for completion of prescribed 2022 and 2023 CE content. This is because those who had enrolled in the MQP during the first period satisfied all of the eligibility criteria for enrollment during the second period and would have been able to complete their prescribed CE content by March 31, 2024, had they chosen to enroll during the second period instead of enrolling during the first period.

⁹ See Securities Exchange Act Release No. 100067 (May 6, 2024), 89 FR 40520 (May 10, 2024) (SR-FINRA-2024-006)(Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend FINRA Rule 1240.01 To Reopen the Period by Which Certain Participants in the Maintaining Qualifications Program May Complete Their Prescribed Continuing Education Content).

¹⁰ This would include any Look-Back Individuals who were still in the process of completing their prescribed CE content as of March 31, 2024.

In the FINRA Rule Change, FINRA noted that it sent multiple reminders, including a March 16, 2024 email, to Look-Back Individuals who had enrolled in the MQP but had not completed their prescribed CE to remind them of the March 31, 2024 deadline. In the FINRA Rule Change, FINRA further noted that in the week leading up to the deadline, FINRA noticed that several thousand of those individuals were renewing their participation in the MQP for 2024 instead of completing their prescribed CE.¹¹ Per the FINRA Rule Change, FINRA believes that some of those individuals may have been confused by the layout of their FinPro accounts. Specifically, if they selected the 2024 renewal banner, which was prominently displayed on their FinPro accounts, and completed the renewal process, they would not have been automatically redirected to complete any prescribed CE. Therefore, individuals may have inadvertently assumed that completion of the renewal process alone would have satisfied all of the necessary requirements to continue their participation in the MQP.¹²

For similar reasons and to facilitate compliance with the Exchange's CE Program requirements by members of multiple exchanges, the Exchange is also proposing to amend its rules (i.e., Exchange Rule 1903, Interpretation and Policy .01) to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between the effective date of this filing, and July 1, 2024, to be eligible to continue their participation in the

¹¹ Look-Back Individuals who enrolled in the MQP have until December 31, 2024, to renew their participation in the MQP for 2024, provided that they complete their prescribed CE by the stated deadline.

¹² According to FINRA, a number of these individuals contacted FINRA to confirm whether they were required to satisfy any additional requirements other than completing the 2024 renewal. To provide FINRA with additional time to assess the situation, FINRA temporarily changed the March 31, 2024, due date for CE completion in its systems. This may have compounded the confusion because any Look-Back Individual who may have logged into their FinPro account during this time would have seen an interim CE completion date and would have been able to complete their prescribed CE content based on that interim CE completion date.

MQP.¹³ In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and the effective date of this filing, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.¹⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁶ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange's rule proposal is intended to harmonize the Exchange's supervision rules, specifically with respect to the continuing education requirements with those of FINRA, on which they are based. Consequently, the proposed change will conform the Exchange's rules to changes made to corresponding FINRA rules, thus promoting application

of consistent regulatory standards with respect to rules that FINRA enforces pursuant to its regulatory services agreement with the Exchange.

The Exchange believes that reopening the period by which Look-Back Individuals will be able to complete their prescribed 2022 and 2023 CE content is appropriate under the circumstances. As FINRA noted in the FINRA Rule Change, Look-Back Individuals who had enrolled in the MQP in 2022 and 2023 but had not completed their prescribed 2022 and 2023 CE content by the March 31, 2024 deadline may have been confused, as described above. The Exchange believes that participation in the MQP reduces unnecessary impediments to requalification for these individuals without diminishing investor protection. In addition, the proposed rule change is consistent with other goals, such as the promotion of diversity and inclusion in the securities industry by attracting and retaining a broader and diverse group of professionals. The MQP also allows the industry to retain expertise from skilled individuals, providing investors with the advantage of greater experience among the individuals working in the industry. The Exchange believes that reopening the CE completion period, as proposed, will further these goals and objectives.

Further, the Exchange believes the proposed amendments reduce the possibility of a regulatory gap between Exchange and FINRA rules, providing more uniform standards across the securities industry. The Exchange believes that the proposed rule change will bring consistency and uniformity with FINRA's recently amended CE Program, which will, in turn, assist members and their associated persons in complying with these rules and improve regulatory efficiency. The proposed rule changes make ministerial changes to the Exchange's CE rules to align them with the CE rules of FINRA, in order to prevent unnecessary regulatory burdens and to promote efficient administration of the rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed rule change, which harmonizes its rules with the recent rule change adopted by FINRA, will reduce the regulatory burden placed on market participants engaged in trading activities across different markets. The Exchange believes that the harmonization of the CE program requirements across the various markets will reduce burdens on competition by removing impediments to participation in the national market system and promoting competition among participants across the multiple national securities exchanges.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or

The Exchange has satisfied this requirement.

otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
