1. **Text of Proposed Rule Change**

(a) Miami International Securities Exchange, LLC (“MIAX” or “Exchange”), pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² is filing with the with the Securities and Exchange Commission (“SEC” or “Commission”) a proposal to change the implementation date of the proposed change to provide origin code in the liquidity seeking event notification messages on the Administrative Information Subscriber (“AIS”) feed.

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1.

(b) Not applicable.

(c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

The proposed rule change was approved by the Chief Executive Officer of the Exchange or duly appointed designee pursuant to authority delegated by the MIAX Board of Directors on March 26, 2026. Exchange staff will advise the Board of Directors of any action taken pursuant to delegated authority. No other action by the Exchange is necessary for the filing of the proposed rule change.

Questions and comments on the proposed rule change may be directed to Gregory P. Ziegler, Vice President and Senior Counsel, at 609-897-1483.

3. **Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

a. Purpose

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

On September 11, 2025, the Exchange filed a proposal to amend the Administrative Information Subscriber market data feed (“AIS Feed”) to include origin code in the liquidity seeking event notification message.³ In its filing the Exchange proposed to announce the implementation date via Regulatory Circular. On February 20, 2026, the Exchange filed SR-MIAX-2026-10⁴ to extend the implementation date to Q4 of 2026 to allow Members⁵ ample time to complete the necessary technical changes prior to the implementation of the change. The Exchange now proposes to change the implementation date to Q3 of 2026 as its Members have completed the necessary technical changes and are in a position to receive the new data element on the AIS feed.

The Exchange proposes to issue a Regulatory Circular notifying market participants of the actual date at least 30 days prior to implementation of this functionality.

b. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in, securities, to remove impediments to and perfect the mechanisms of a free and open market

⁴ See Securities Exchange Act Release No. 104905 (February 27, 2026), 91 FR 10656 (March 4, 2026) (SR-MIAX-2026-10).

⁷ 15 U.S.C. 78f(b)(5).

and a national market system and, in general, to protect investors and the public interest by allowing the Exchange and its Members to implement the proposed change.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to implement the proposed functionality does not impose an undue burden on competition.

The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition as subscribers to the AIS feed will receive the same information. The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition as the proposed change is a change in the implementation date of approved functionality. The Exchange does not believe that the proposed rule change will result in any burden on inter-market competition, but could serve to promote inter-market competition by possibly improving the number and quality of executions on the Exchange during liquidity seeking events which may improve competition for orders across all exchanges.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period for Commission action.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposal does not significantly affect the protection of investors or the public interest because implementation of the approved functionality will benefit the Exchange and investors as the changes to the market data product are designed to increase the efficient use of the data feed in a manner that benefits all market participants. The Exchange does not believe that the proposal will impose any significant burden on competition for the same reason. Instead, the Exchange believes that the changes to the market data product will enhance competition in the U.S. options markets by enhancing the quality and usefulness of a market data product.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

8. Proposed Rule Change Based on rules of Another Self-Regulatory Organization or of the Commission

The proposed rule change is not based on rules of another self-regulatory organization or of the Commission.
