3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to amend Exchange Rule 1900, Interpretation and Policy .06, to

reduce the waiting periods for retaking FINRA qualification examinations.

In general, the Exchange's current rules require that persons engaged in a Member's³ securities business who are to function as representatives⁴ or principals⁵ register with the Exchange in each category of registration appropriate to their functions by passing one or more qualification examinations⁶ and exempt specified associated persons from the registration requirements.⁷

Current Exchange Rule 1900, Interpretation and Policy .06, provides that "[a]ny person who fails to pass a qualification examination prescribed by the Exchange shall be permitted to take that examination again after a period of 30 calendar days has elapsed from the date of such person's last attempt to pass that examination, except that any person who fails to pass an examination three or more times in succession within a two-year period shall be prohibited from again taking that examination until a period of 180 calendar days has elapsed from the date of such person's last attempt to pass that examination. The waiting periods for retaking a failed examination shall apply to the SIE and the representative and principal examinations specified

³ The term "Member" means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed "members" under the Exchange Act. See Exchange Rule 100.

⁴ A "representative" is any person associated with a Member, including assistant officers other than principals, who is engaged in the Member's securities business, such as supervision, solicitation, conduct of business in securities or the training of persons associated with a Member for any of these functions. See Exchange Rule 1901.

⁵ A "principal" is any person associated with a Member, including, but not limited to, sole proprietor, officer, partner, manager of office of supervisory jurisdiction, director or other person occupying a similar status or performing similar functions, who is actively engaged in the management of the Member's securities business, such as supervision, solicitation, conduct of business in securities or the training of persons associated with a Member for any of these functions. Such persons shall include, among other persons, a Member's chief executive officer and chief financial officer (or equivalent officers). A "principal" also includes any other person associated with a Member who is performing functions or carrying out responsibilities that are required to be performed or carried out by a principal under Exchange rules. See Exchange Rule 1901.

under Rule 1901.” In 2019, the Exchange adopted current Exchange Rule 1900, Interpretation and Policy .06, in response to the FINRA rule changes.⁸ The Exchange notes that current Exchange Rule 1900, Interpretation and Policy .06, is substantively similar to FINRA Rule 1210.06.⁹

On June 29, 2026, FINRA filed to shorten the required qualification examination retake waiting periods to 15 days after the first and second failed attempts, and 60 days after the third and all subsequent failed attempts that occur within a two-year period.¹⁰ The Exchange proposes to align the Exchange’s requirement with FINRA’s by establishing uniform qualification examination retake waiting periods.

The Exchange believes that as a result of the changes to the qualification program that have occurred since the implementation of the current retake waiting periods provided in the FINRA filing, shortening the waiting periods in this manner would lessen the burden on

⁸ See Securities Exchange Act Release No. 87830 (December 20, 2019), 84 FR 72025 (December 30, 2019) (SR-MIAX-2019-50) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend, Reorganize and Enhance Its Membership, Registration and Qualification Rules and Consolidate These Rules Into New Chapter XIX Registration, Qualification and Continuing Education); see also Securities Exchange Act Release No. 81098 (July 7, 2017), 82 FR 32419 (July 13, 2017) (SR-FINRA-2017-007) (Order Approving Proposed Rule Change to Adopt Consolidated Registration Rules, Restructure the Representative-Level Qualification Examination Program, Allow Permissive Registration, Establish Exam Waiver Process for Persons Working for Financial Services Affiliate of Member, and Amend the Continuing Education Requirements); see also FINRA Regulatory Notice 17-30 (SEC Approves Consolidated FINRA Registration Rules, Restructured Representative-Level Qualification Examinations and Changes to Continuing Education Requirements) (October 2017). FINRA articulated its belief that the proposed rule change would streamline, and bring consistency and uniformity to, its registration rules, which would, in turn, assist FINRA members and their associated persons in complying with the rules and improve regulatory efficiency. FINRA also determined to enhance the overall efficiency of its representative-level examinations program by eliminating redundancy of subject matter content across examinations, retiring several outdated representative-level registrations, and introducing a general knowledge examination that could be taken by all potential representative-level registrants and the general public. FINRA amended certain aspects of its continuing education rule, including by codifying existing guidance regarding the effect of failing to complete the Regulatory Element on a registered person’s activities and compensation.

individuals who are trying to register to begin their employment in the securities industry while also continuing to protect investors by maintaining appropriate program integrity.

b. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹¹ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹² in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹³ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers, because the rule applies uniformly to all Members and does not unfairly discriminate against any Member or type of market participant. The Exchange also believes the proposed rule change is consistent with Section 6(b)(1) of the Act,¹⁴ which provides that the Exchange be organized and have the capacity to be able to carry out the purposes of the Act and to enforce compliance by the Exchange's Members and persons associated with its Members with the Act, the rules and regulations thereunder, and the rules of the Exchange.

In particular, the proposed rule change to shorten the waiting periods for retaking FINRA

qualification examinations will lessen the burden on individuals who are trying to register to begin their employment in the securities industry while also continuing to protect investors by maintaining appropriate program integrity. The proposal would align the Exchange's requirement with FINRA's by establishing uniform qualification examination retake waiting periods.¹⁵ This proposal would avoid potentially different requirements for members of both FINRA and the Exchange with respect to qualification examination retake waiting periods.

The proposed changes will provide greater harmonization between Exchange and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance for dual members. As previously noted, the proposed rule text is substantially similar to FINRA's rule text. The proposal is based on a proposal that FINRA filed with the Commission for immediate effectiveness, and therefore, does not raise any new or novel issues, not already considered by the Commission.¹⁶

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather is designed to provide greater harmonization between Exchange and FINRA rules of similar purpose for qualification examination retake waiting periods, resulting in less burdensome and more efficient regulatory compliance for dual members.

Written comments were neither solicited nor received.

6. **Extension of Time Period for Commission Action**

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Pursuant to Section 19(b)(3)(A) of the Act¹⁷ and Rule 19b-4(f)(6)¹⁸ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange does not believe this is a controversial rule, as the Exchange is simply looking to align its existing rules on qualification examination retake waiting periods, with FINRA's. The proposal is based on a proposal that FINRA filed with the Commission for immediate effectiveness, and therefore, does not raise any new or novel issues, not already considered by the Commission.¹⁹

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

August _____, 2026

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on August ____, 2026, Miami International Securities Exchange, LLC (“MIAX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on

the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 1900, Interpretation and Policy .06, to reduce the waiting periods for retaking FINRA qualification examinations.

In general, the Exchange's current rules require that persons engaged in a Member's³ securities business who are to function as representatives⁴ or principals⁵ register with the Exchange in each category of registration appropriate to their functions by passing one or more qualification examinations⁶ and exempt specified associated persons from the registration requirements.⁷

Current Exchange Rule 1900, Interpretation and Policy .06, provides that "[a]ny person who fails to pass a qualification examination prescribed by the Exchange shall be permitted to

³ The term "Member" means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed "members" under the Exchange Act. See Exchange Rule 100.

⁴ A "representative" is any person associated with a Member, including assistant officers other than principals, who is engaged in the Member's securities business, such as supervision, solicitation, conduct of business in securities or the training of persons associated with a Member for any of these functions. See Exchange Rule 1901.

⁵ A "principal" is any person associated with a Member, including, but not limited to, sole proprietor, officer, partner, manager of office of supervisory jurisdiction, director or other person occupying a similar status or performing similar functions, who is actively engaged in the management of the Member's securities business, such as supervision, solicitation, conduct of business in securities or the training of persons associated with a Member for any of these functions. Such persons shall include, among other persons, a Member's chief executive officer and chief financial officer (or equivalent officers). A "principal" also includes any other person associated with a Member who is performing functions or carrying out responsibilities that are required to be performed or carried out by a principal under Exchange rules. See Exchange Rule 1901.

take that examination again after a period of 30 calendar days has elapsed from the date of such person's last attempt to pass that examination, except that any person who fails to pass an examination three or more times in succession within a two-year period shall be prohibited from again taking that examination until a period of 180 calendar days has elapsed from the date of such person's last attempt to pass that examination. The waiting periods for retaking a failed examination shall apply to the SIE and the representative and principal examinations specified under Rule 1901.” In 2019, the Exchange adopted current Exchange Rule 1900, Interpretation and Policy .06, in response to the FINRA rule changes.⁸ The Exchange notes that current Exchange Rule 1900, Interpretation and Policy .06, is substantively similar to FINRA Rule 1210.06.⁹

On June 29, 2026, FINRA filed to shorten the required qualification examination retake waiting periods to 15 days after the first and second failed attempts, and 60 days after the third

⁸ See Securities Exchange Act Release No. 87830 (December 20, 2019), 84 FR 72025 (December 30, 2019) (SR-MIAX-2019-50) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend, Reorganize and Enhance Its Membership, Registration and Qualification Rules and Consolidate These Rules Into New Chapter XIX Registration, Qualification and Continuing Education); see also Securities Exchange Act Release No. 81098 (July 7, 2017), 82 FR 32419 (July 13, 2017) (SR-FINRA-2017-007) (Order Approving Proposed Rule Change to Adopt Consolidated Registration Rules, Restructure the Representative-Level Qualification Examination Program, Allow Permissive Registration, Establish Exam Waiver Process for Persons Working for Financial Services Affiliate of Member, and Amend the Continuing Education Requirements); see also FINRA Regulatory Notice 17-30 (SEC Approves Consolidated FINRA Registration Rules, Restructured Representative-Level Qualification Examinations and Changes to Continuing Education Requirements) (October 2017). FINRA articulated its belief that the proposed rule change would streamline, and bring consistency and uniformity to, its registration rules, which would, in turn, assist FINRA members and their associated persons in complying with the rules and improve regulatory efficiency. FINRA also determined to enhance the overall efficiency of its representative-level examinations program by eliminating redundancy of subject matter content across examinations, retiring several outdated representative-level registrations, and introducing a general knowledge examination that could be taken by all potential representative-level registrants and the general public. FINRA amended certain aspects of its continuing education rule, including by codifying existing guidance regarding the effect of failing to complete the Regulatory Element on a registered person's activities and compensation.

and all subsequent failed attempts that occur within a two-year period.¹⁰ The Exchange proposes to align the Exchange's requirement with FINRA's by establishing uniform qualification examination retake waiting periods.

The Exchange believes that as a result of the changes to the qualification program that have occurred since the implementation of the current retake waiting periods provided in the FINRA filing, shortening the waiting periods in this manner would lessen the burden on individuals who are trying to register to begin their employment in the securities industry while also continuing to protect investors by maintaining appropriate program integrity.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹¹ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹² in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹³ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers, because the rule applies uniformly to all Members and does not unfairly discriminate against any Member or type of

¹⁰ See Securities Exchange Act Release No. 105885 (July 13, 2026), 91 FR 43678 (July 16, 2026) (SR-FINRA-2026-014) (the "FINRA Filing").

market participant. The Exchange also believes the proposed rule change is consistent with Section 6(b)(1) of the Act,¹⁴ which provides that the Exchange be organized and have the capacity to be able to carry out the purposes of the Act and to enforce compliance by the Exchange's Members and persons associated with its Members with the Act, the rules and regulations thereunder, and the rules of the Exchange.

In particular, the proposed rule change to shorten the waiting periods for retaking FINRA qualification examinations will lessen the burden on individuals who are trying to register to begin their employment in the securities industry while also continuing to protect investors by maintaining appropriate program integrity. The proposal would align the Exchange's requirement with FINRA's by establishing uniform qualification examination retake waiting periods.¹⁵ This proposal would avoid potentially different requirements for members of both FINRA and the Exchange with respect to qualification examination retake waiting periods.

The proposed changes will provide greater harmonization between Exchange and FINRA rules of similar purpose, resulting in less burdensome and more efficient regulatory compliance for dual members. As previously noted, the proposed rule text is substantially similar to FINRA's rule text. The proposal is based on a proposal that FINRA filed with the Commission for immediate effectiveness, and therefore, does not raise any new or novel issues, not already considered by the Commission.¹⁶

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The

proposed rule change is not designed to address any competitive issues but rather is designed to provide greater harmonization between Exchange and FINRA rules of similar purpose for qualification examination retake waiting periods, resulting in less burdensome and more efficient regulatory compliance for dual members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁸

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁹ of the Act to determine whether the proposed rule change should be approved or disapproved.
