SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–99152; File No. SR–PEARL–2023–68]

Self-Regulatory Organizations; MIAX PEARL LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 100, Definitions, Rule 530, Limit Up-Limit Down, Rule 2612, Minimum Price Variations, Rule 2614, Orders and Order Instructions, and Rule 2705 Prohibition Against Trading Ahead of Customer Orders

December 13, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on December 6, 2023, MIAX PEARL LLC (“MIAX Pearl” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to update citations to Rule 600(b) of Regulation National Market System (“Regulation NMS”) in Exchange Rule 100, Definitions, Rule 530, Limit Up-Limit Down, Rule 2612, Minimum Price Variations, Rule 2614, Orders and Order Instructions, and Rule 2705 Prohibition Against Trading Ahead of Customer Orders.

The text of the proposed rule change is available on the Exchange’s website at <https://www.miaxglobal.com/markets/us-equities/pearl-equities/rule-filings>, at MIAX Pearl’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of

the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update citations to Rule 600(b) of Regulation NMS in Exchange Rule 100, Definitions, Rule 530, Limit Up-Limit Down, Rule 2612, Minimum Price Variations, Rule 2614, Orders and Order Instructions, and Rule 2705 Prohibition Against Trading Ahead of Customer Orders.

In 2021, the Securities and Exchange Commission (the “Commission”) amended Regulation NMS under the Act in connection with the adoption of the Market Data Infrastructure Rules.³ As part of that initiative, the Commission adopted new definitions in Rule 600(b) of Regulation NMS and renumbered the remaining definitions, including the definitions of Trading Center (formerly Rule 600(b)(82)), Regular Trading Hours (formerly Rule 600(b)(77)), NMS Stock (formerly Rule 600(b)(48)), and Intermarket Sweep Order (formerly Rule 600(b)(31)).

The Exchange accordingly proposes to update the relevant citations to Rule 600(b) in its rules as follows:

- The citation to the definition of Trading Center in Rule 100 would be changed to Rule 600(b)(82).
- The citation to the definition of Regular Trading Hours in Rule 530, Limit Up-Limit Down, would be changed to Rule 600(b)(77).
- The citation to the definition of NMS Stock in Rule 2612(a) would be changed to Rule 600(b)(55).
- The citation to the definition of Intermarket Sweep Order in Rule 2614 and Rule 2705, would be changed to Rule 600(b)(38).

2. Statutory Basis

The Exchange believes the proposed rules changes are consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rules changes are consistent with section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged

in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that the proposed changes to its rules to correct citations to Rule 600(b) of Regulation NMS would remove impediments to and perfect the mechanism of a free and open market and a national market system because the proposed change is designed to update an external rule reference. The Exchange believes that Members⁶ would benefit from the increased clarity, thereby reducing potential confusion and ensuring that those subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules. The Exchange further believes that the proposed changes would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rules changes would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rules changes is not intended to address competitive issues but rather would modify Exchange rules to update citations to Rule 600(b) of Regulation NMS. Since the proposal does not substantively modify System⁷ functionality or processes on the Exchange, the proposed changes will not impose any burden on competition nor are they meant to affect competition among the exchanges. For these reasons, the Exchange believes that the proposed rules changes reflect this competitive environment and do not impose any undue burden on intermarket competition.

⁶ The term "Member" means an individual or organization that is registered with the Exchange pursuant to Chapter II of Exchange Rules for purposes of trading on the Exchange as an "Electronic Exchange Member" or "Market Maker." Members are deemed "members" under the Exchange Act. See the Definitions Section of the Fee Schedule and Exchange Rule 100.

⁷ The term "System" means the automated trading system used by the Exchange for the trading of securities. See Exchange Rule 100.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.¹⁰

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹¹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The proposal raises no novel legal or regulatory issues, and operative delay waiver would permit the Exchange to promptly correct citations to Rule 600(b) of Regulation NMS in order to alleviate potential investor or public confusion and add clarity to its rules. Therefore, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if

⁹ 17 CFR 240.19b-4(f)(6).

¹⁰ In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹¹ 17 CFR 240.19b-4(f)(6)(iii).

¹² For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
