II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, MIAX Pearl included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. MIAX Pearl has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 2613(a) to reflect the name change of “Nasdaq BX, Inc.,” to “Nasdaq Texas, LLC.”

Nasdaq BX, Inc. (“Nasdaq BX”) recently converted from a corporation organized under the laws of the state of Delaware to a limited liability company (“LLC”) organized under the laws of the state of Texas and changed its name to “Nasdaq Texas, LLC.” (“Nasdaq Texas”).⁴ The Exchange accordingly proposes a conforming change to its rule to reflect the name change of Nasdaq BX to Nasdaq Texas. Specifically, the Exchange proposes to replace one reference to “Nasdaq BX, Inc.” in Exchange Rule 2613(a) with “Nasdaq Texas, LLC.”

The proposed change is conforming and non-substantive in nature.

2. Statutory Basis

⁴ See Securities Exchange Act Release No. 104736 (January 29, 2026), 91 FR 4980 (February 3, 2026) (SR–BX-2026-005) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Repeal the Restated Certificate of Incorporation and Adopt a Certificate of Formation and Company Agreement.).

The proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(1)⁶ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5)⁷ of the Act in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed non-substantive change would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Act and comply and enforce compliance with the provisions of the Act by its members and persons associated with its members, because it would ensure that the Exchange's rule accurately reflects the correct name of the market center from which the Exchange utilize direct data feeds when performing order handling, order execution, routing, and related compliance for equity securities and therefore contribute to the orderly operation of the Exchange by adding clarity and transparency. In addition, the proposed rule change would reduce potential investor and market participant confusion and therefore remove impediments to and perfect the mechanism of a free and open market and a national market system by ensuring that investors and market participants can more

easily navigate, understand and comply with the Exchange's rules. The Exchange also believes that the proposed rule change would remove impediments to and perfects the mechanism of a free and open market by ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules. The proposed rule change would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from the increased transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Intramarket Competition

The Exchange believes the proposed rule change does not impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Exchange's rule to reflect the name change of Nasdaq BX to Nasdaq Texas.

Intermarket Competition

The Exchange believes the proposed rule change does not impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Exchange's rule to reflect the name change of Nasdaq BX to Nasdaq Texas.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. In the filing, the Exchange stated that the proposed change will not adversely impact investors as the Exchange is proposing a non-substantive, conforming change to reflect the name change of Nasdaq BX to Nasdaq Texas and that does not impose any significant burden on competition because it applies evenly to all Equity Members. The proposed rule change does not raise any novel issues, as the name change from Nasdaq BX to Nasdaq Texas has already occurred and waiver of the operative delay allows for the immediate clarification of the Exchange's rules to reflect this change, and therefore, waiver of the 30-day operative delay is

consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposal operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
