3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**a. Purpose**

The Exchange proposes to amend the title on the title page of its Rulebook from “MIAX Sapphire Options Exchange Rules” to “MIAX Sapphire Options Exchange Rulebook.”

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

Additionally, the Exchange proposes to amend the header information contained on each consecutive page of the Rulebook from “MIAX Sapphire Options Exchange Rules” to “MIAX Sapphire Options Exchange Rulebook.” The proposed changes are intended to align the title and header information of the Exchange’s Rulebook with the naming conventions used for the rulebooks of the Exchange’s affiliates.³ The proposed rule changes are to promote consistency across the Exchange’s and its affiliates’ rulebooks.

b. Statutory Basis

The proposed rule changes further the objectives of Section 6(b)(5)⁴ of the Act. In particular, they are designed to prevent fraudulent and manipulative acts and practices, promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, protect investors and the public interest.

In particular, the Exchange believes the proposed changes are designed to promote just and equitable principles of trade and remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest because the proposed rule changes will provide greater clarity to Members and the public regarding the Exchange’s Rulebook by aligning the title and header information of the Exchange’s Rulebook with the naming conventions used for the rulebooks of the Exchange’s affiliates. It is in the public interest for the Exchange’s Rulebook to be accurate and consistent.

4. Self-Regulatory Organization’s Statement on Burden on Competition

³ The Exchange’s affiliates include MIAX PEARL, LLC (“MIAX Pearl”), MIAX Emerald, LLC (“MIAX Emerald”), and Miami International Securities Exchange, LLC (“MIAX”).

⁴ 15 U.S.C. 78f(b)(5).

The Exchange does not believe that the proposed rule changes will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Intramarket Competition

The Exchange believes the proposed rule changes do not impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule changes are not intended to address competitive issues but rather is concerned solely with aligning the title and header information of the Exchange's Rulebook with the naming conventions used for the rulebooks of the Exchange's affiliates. This is to promote consistency across the Exchange's and its affiliates' rulebooks.

Intermarket Competition

The Exchange believes the proposed rule changes do not impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule changes are not intended to address competitive issues but rather is concerned solely with aligning the title page and headers of the Exchange's Rulebook with the naming conventions used for the rulebooks of the Exchange's affiliates. This is to promote consistency across the Exchange's and its affiliates' rulebooks.

5. **Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

6. **Extension of Time Period for Commission Action**

Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(6)⁶ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposed changes do not significantly affect the protection of investors or the public interest but rather promote the protection of investors and the public interest by aligning the title page and header content of the Exchange's Rulebook with the naming convention and header information used for the rulebooks of the Exchange's affiliates, and thereby improving the consistency across the Exchange's and its affiliates' rulebooks. Additionally, the Exchange does not believe that its proposal imposes a significant burden on competition as the Exchange's proposal is non-substantive in nature and is not designed to address any competitive issues but rather is intended to add clarity to the Exchange's Rulebook.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁷ normally does not become operative for 30 days after the date of

⁵ 15 U.S.C. 78s(b)(3)(A).

⁶ 17 CFR 240.19b-4(f)(6).

⁷ Id.

its filing. However, Rule 19b-4(f)(6)⁸ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Exchange respectfully requests that the Commission waive the requirement that the proposed rules changes, by its terms, not become operative for 30 days after the date of the filing as set forth in Rule 19b-4(f)(6)(iii),⁹ so that the proposed rules changes may become operative immediately. The Exchange believes that the proposed changes will not adversely impact investors and will permit the Exchange to immediately align the title and header information of the Exchange's Rulebook with the naming conventions used for the rulebooks of the Exchange's affiliates in order to improve the consistency across the Exchange's and its affiliates' rulebooks. Because the proposed rules changes do not raise any new or novel regulatory issues, the Exchange believes that waiver of the operative delay would be consistent with the protection of investors and the public interest. Additionally, waiver of the operative delay is consistent with the protection of investors and the public interest because the proposal promotes the protection of investors or the public interest because it would promote consistency across the Exchange's and its affiliates' rulebooks.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
