3. **Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

a. **Purpose**

On December 11, 2025, the Exchange filed a proposal to amend Exchange Rule 519C, Mass Cancellation of Trading Interest, to adopt a new Selective Liquidity Auto Purge (“SLAP”) feature, which provides more granular mass cancellation functionality.⁴ The proposal indicated that the Exchange would announce the implementation date of the proposed rule change by Regulatory Circular. Additionally, the proposal stated that the implementation date would be in the first quarter of 2026. The Exchange has not issued a Regulatory Circular and now proposes to delay the implementation of this functionality until the second quarter of 2026.

The Exchange proposes this delay in order to allow the Exchange and its Members ample time to complete the necessary technical changes prior to the implementation of the change. The Exchange proposes to issue a Regulatory Circular notifying market participants at least 30 days prior to implementing this functionality.

b. **Statutory Basis**

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in, securities, to remove impediments to and perfect the mechanisms of a free and open market

⁴ See Securities Exchange Act Release No. 104372 (December 11, 2025), 90 FR 58316 (December 16, 2025) (SR-SAPPHIRE-2025-42).

and a national market system and, in general, to protect investors and the public interest by allowing the Exchange and its Members additional time to implement the proposed change.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to delay the implementation of the proposed functionality does not impose an undue burden on competition. Delaying the implementation will simply allow the Exchange and its Members additional time to properly prepare for, and implement, the proposed functionality.

The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition as the delay will apply equally to all Members of the Exchange.

The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition as the proposal is to delay the implementation of approved functionality which affects MIAX Sapphire Members only and does not impact intermarket competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that the proposal does not significantly affect the protection of investors or the public interest because delaying implementation of the proposed functionality will benefit the Exchange and investors by allowing the Exchange additional time to properly implement the proposed functionality. The Exchange does not believe that the proposal will impose any significant burden on competition for the same reason.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On December 11, 2025, the Exchange filed a proposal to amend Exchange Rule 519C, Mass Cancellation of Trading Interest, to adopt a new Selective Liquidity Auto Purge (“SLAP”) feature, which provides more granular mass cancellation functionality.⁴ The proposal indicated that the Exchange would announce the implementation date of the proposed rule change by Regulatory Circular. Additionally, the proposal stated that the implementation date would be in the first quarter of 2026. The Exchange has not issued a Regulatory Circular and now proposes to delay the implementation of this functionality until the second quarter of 2026.

The Exchange proposes this delay in order to allow the Exchange and its Members ample time to complete the necessary technical changes prior to the implementation of the change. The Exchange proposes to issue a Regulatory Circular notifying market participants at least 30 days prior to implementing this functionality.

2. Statutory Basis

⁴ See Securities Exchange Act Release No. 104372 (December 11, 2025), 90 FR 58316 (December 16, 2025) (SR-SAPPHIRE-2025-42).

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in, securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest by allowing the Exchange and its Members additional time to implement the proposed change.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to delay the implementation of the proposed functionality does not impose an undue burden on competition. Delaying the implementation will simply allow the Exchange and its Members additional time to properly prepare for, and implement, the proposed functionality.

The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition as the delay will apply equally to all Members of the Exchange.

The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition as the proposal is to delay the implementation of approved functionality which affects MIAX Sapphire Members only and does not impact intermarket competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(5).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6)⁸ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of this proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
