**RE: Pilot Report of Obvious Errors and Catastrophic Errors During Limit or Straddle States – March 2016**

Dear Mr. Fields:

The Miami International Securities Exchange, LLC (“MIAX” or the “Exchange”) respectfully submits the following pilot report to the SEC and the public that includes a dataset containing the data for each Straddle and Limit State in optionable stocks found in Appendix A.

MIAX has evaluated the impact of Limit and Straddle States and assessed the impact of the operation of obvious and catastrophic error rules during such periods. MIAX observed four (4) reportable activities during the month of March 2016 that would support any impact of Limit and Straddle States and the impact of the operation of obvious and catastrophic error rules.

If you have any questions or comments, please contact me at (609) 897-1466.

Sincerely,

A handwritten signature in blue ink, appearing to read "Edward Deitzel". The signature is fluid and cursive, with a long horizontal stroke at the end.
