> RE: MIAX Options Pilot Report of Obvious Errors and Catastrophic Errors During Limit or Straddle States – May 2017

Dear Mr. Fields:

The Miami International Securities Exchange, LLC ("MIAX" or the "Exchange") respectfully submits the following pilot report to the SEC and the public that includes a dataset containing the data for each Straddle and Limit State in optionable stocks found in Appendix A.

MIAX has evaluated the impact of Limit and Straddle States and assessed the impact of the operation of obvious and catastrophic error rules during such periods. MIAX observed zero (0) reportable activities during the month of May 2017 that would support any impact of Limit and Straddle States and the impact of the operation of obvious and catastrophic error rules.

If you have any questions or comments, please contact me at (609) 897-1466.

Sincerely,

Edward Deitzel

Executive Vice President
